Q1 What do you think about the following proposed improvements?
Please state your comments (agree, disagree, suggestions, etc)

Area Of Improvement	Comments
<p>Improved access for disabled people & toilet facilities (legal requirement):</p> <p>AGREE 14 Couldn't be better as the first improvement No choice! Yes, necessary High Priority DISAGREE: 1 Lack of interest in past/not likely to attract anymore users, entrance already plenty big enough INDIFFERENT: 1</p>	
<p>Improved Kitchen Facilities (please add suggestions):</p> <p>Agree, Agree, V, Fine Kitchen seems ok to me Maybe better chairs & tables; ?microwave Very important for kids' parties. Fridge would be good – also a large catering kettle Seems fine already no need for cooker, etc These improvements will make the hall more cost effective in the future Kitchen facilities to look a bit more inviting</p>	
<p>Wall and roof insulation</p> <p>Agree, unless already in place, Agree, ?, V Essential Roof at least should be done Essential for preserving heat/saving money These improvements will make the hall more cost effective in the future</p>	
<p>Double glazing</p> <p>Disagree, expensive (unreadable) ? Increased council tax! Not vital Perhaps not a priority No need ?, V These improvements will make the hall more cost effective in the future</p>	
<p>Sustainable/renewable energy heating system (earth warmth, solar energy)</p> <p>A priority – (state of the earth)) Needs to be protected in any way we can by using resources already available Agree, Agree, V These improvements will make the hall more cost effective in the future</p> <p>Disagree, expensive and payback period too long ?Expensive An expensive option – although a log burner would good (see Burton Village Hall I don't think the hall is used enough to warrant this.</p>	
<p>Other, please add</p> <p>Car parking - without mud!, External lighting Better lighting around the outside of building and car parking area Attractive fencing or planting to improve appearance of village hall</p>	

Q 2 Would you use the improved Village Hall for:.....

<p>History Club V, V, V, V, V, V, V, V Agree, Any of these, good idea</p>
<p>Arts and Crafts Workshops V, V, V, V, V, Agree, Any of these, invite external exhibitors from surrounding areas,</p>

Others, please specify

Garden Produce Show
Music clubs, practice room.
Film Club at Village Hall (unreadable)
Cinema club (over-subscribed in Lincoln
Computer classes

Would take part in fitness club if hold in the evenings
Would love volley ball and badminton group to be set up.

I would support the full usage of the village hall,. We are elderly and obviously having changing needs

Don't aim just at accommodating local villages, seek people, clubs etc from Lincoln/Gainsborough etc, more interest will come as city charges for halls very expensive – BSA parish already show lack of interest, give other areas a chance

I feel the need for Aisthorpe Village Hall has passed. It would be of more benefit to the villages to sell the land - if possible – and consider more remedial work to the church with the proceeds.

Q 3 Would you consider running an event yourself? Please leave details of the event you would like to run and contact details.

Details of the event you would like to run and contact details:

Would help set up volleyball club
Regrettably unable to devote any time due to outside interests
Nothing specific I could do, but I would attend any function, show, fetes, fundraises that might be on
