

METHERINGHAM, SOTS HOLE & TANVATS PARISH COUNCIL

PRESS RELEASE

NHS BUILDING

METHERINGHAM, HIGH STREET, LINCOLN, LN4 3DZ

RELEASE DATE – 03-05-2018

Following a year of negotiations, the Parish Council has bought the NHS Building, on the High Street. The negotiations have been very difficult and protracted. However we have now secured this building for the village for the future.

We have some ideas but; we will now start the consultation process, we will be asking for volunteers to join a working group, surveys/questionnaires, website poll, open public meetings and workshops, to gain your views and help this project come to fruition.

The NHS property is in the conservation area of the village, so it is really important the building does not deteriorate any further, we intend however to only maintain it in a safe condition.

The thriving community library was one of the main reasons we wanted to secure the land. We are now in confidential negotiations with LCC regarding the land and library building and we will update you on this once a decision has been made.

We welcome your views on this project, please contact the parish council office
Tel: 08006343307 or e-mail parishclerk@metheringham-pc.gov.uk
