Period for the exercise of public rights

The Local Audit and Accountability Act 2014 (the Act), sections 26 and 27, and the Accounts and Audit Regulations 2015 (the Regulations), sections 14 and 15, set out the requirements for the period for the exercise of public rights of objection, inspection and questioning of the external auditor. In particular section 14(1) of the Regulations stipulates that the rights of objection, inspection and questioning of the external auditor conferred by sections 26 and 27 of the Act may be exercised within a single period of 30 working days.

The Parish Council published its Notice indicating the period for the exercise of public rights commenced on 20 June 2016 and ended on 20 July. This is less than the 30 working days as required by the Regulations. For any days under those 30 working days, a member of the public has been denied their rights in respect of objection, inspection and questioning of the external auditor. However, the Parish Council has now put up another Notice, alongside the original Notice, extending the end date to give any member of the public a single period of 30 working days in which to exercise public rights. In addition, as the external auditor, this year we have withheld our certification of the Annual Return until the end of the new period published by the Parish Council in its extended Notice to ensure that public rights are not perceived to be denied due to an incorrect Notice.

In the future, the Parish Council must ensure that it complies with the Local Audit and Accountability Act 2014 and the Accounts and Audit Regulations 2015 to ensure that the dates for the exercise of public rights are properly calculated and published and cover a single period of 30 working days. The Parish Council should also consider the impact of this failure on its disclosures in the 2016/17 Annual Return.

Section 2, Accounting statements, 2015 column

Box 9 on Section 2, Total fixed assets, is incorrectly stated as £6,100 in the 2015 column of the Annual Return. This should instead read £6,504 as the Council was informed to change this in the other matters reported last year. In preparing the 2016 annual return the Council should have restated the figures and written 'Restated' beneath the '£' symbol of the 2015 column.
