CURRENT NEIGHBOURHOOD PRIORITIES

Date Set: October 2011

The community panel met in October and decided on new priorities for the next 6-month period:

Reducing metal thefts in the Market Rasen and rural area & target hardening vulnerable properties.

**NEXT PANEL MEETING:
April 2012**

YOU SAID – WE DID *Action against set priorities*

Operation Blackwater

Our Christmas and New Year drink driving campaign has been running over the festive period. Officers have been out almost every day conducting random roadside breath tests in the area.

Operation Ruxton

In October local officers and the NPT were involved in another day of action targeting scavenger crimes and metal thefts. This time the base was set up in Hemswell alongside representatives from VOSA, Environment Agency, Benefits Agency, HMRC and WLDC.

Metal Theft

The NPT are available to do visits to properties to give advice on security and UV pens and information on SmartWater are available for marking your valuables. The Lincs Alert system is now up and running; you can contact the team for a registration form or sign up for free online www.lincsalert.co.uk

Police Authority Outsourcing Decision

Lincolnshire Police Authority has selected G4S as its preferred bidder to enter into a strategic partnership that will provide a number of services to support front line policing.

The partnership will deliver the following services:

Operational Services

- Custody & ID Unit
- Force Control Room
- Town Enquiry Officers
- Crime Management Bureau
- Central Ticket Office & Collisions Unit
- Criminal Justice Unit
- Firearms Licensing
- Resource Management Unit

Business Support

- ICT
- HR Services
- HR Learning & Development
- Assets & Facilities Management
- Finance & procurement
- Support Services

LOCAL COMMUNITY NEWS / EVENTS

- The Walesby NHW meeting in December went well with quite a few interested residents in attendance. The Lincs Alert system was explained and co-ordinators from neighbouring areas talked about how their schemes were run.
- Our online presence is growing! We have over 100 people following us on Facebook and nearly 200 on Twitter. We hope that the people who are following us are finding our updates useful. For those of you not on Facebook or Twitter, we now publish an online newsletter every Sunday. The website we use automatically collates the most popular stories and links from the week that were posted on Twitter. We've set it up so that this will mainly include stories from the Market Rasen and Lincolnshire area, as well as Lincolnshire Police and other Community Safety partner agencies.
