APPLICATION TYPE: PA c/w Environmental Assessment

APPLICATION CATEGORY: Major - Other

I refer to my previous consultation on the above and now wish to inform you that the application has been amended as follows:

AMENDED AND ADDITIONAL INFORMATION RECEIVED FOR THE ENVIRONMENTAL STATEMENT

The planning application forms, plans and other documents including the amendments may be viewed on the Council’s website at www.west-lindsey.gov.uk/planning.

If you have any observations on the proposed amendments, please make them by filling in the attached pro-forma and returning it to me within 30 days of the date of this letter. I would advise you to keep a copy for your records. Any observations made will be taken into account by the District Council when a decision on the application is made.

If you do not reply within 30 days I will assume that your Council has no observations to make on the amendments. I will, of course, arrange for any observations you have already made on the original application to be taken into account when a decision is made, and there is, therefore, no need to respond if you have nothing further to add to your Council’s earlier comments.

14 February 2020
I would point out that, under the Local Government (Access to Information) Act 1985, any written observations received that are reported to the Planning Committee will become “background papers” to the report, and as such will be made available for public inspection in accordance with the Act.

If you need to contact the case officer named above, please use the direct dial number given. If the case officer is not available to answer the call, please leave a voicemail message for him/her, and he/she will return your call as soon as possible. It would be very helpful if you would use the voicemail service in this way rather than ringing the general number for the Council and attempting to speak to another member of staff, as the case officer is best placed to deal with your query.

Yours faithfully

Martin Evans
On behalf of West Lindsey District Council
