

MARSH WIND FARM ACTION GROUP

ACT NOW!

There is a proposal for 3 x 113m (370ft) high wind turbines, sub-station and infrastructure on land at Louth Canal near Thoresby Bridge.

If you have concerns about this application it is important that you voice them by submitting letters of objection together with reasons, to the East Lindsey District Council Planning Department.

Paper copies, or email copies, of example letters are available from the Parish Clerk if required, or on the website:

Sheila Pearce – Parish Clerk
