Anglian Water have a planned completion date of 4th May. They are aware that there is still work to do around the hammer-head on Lindsey Road and they will return the village to normal. They may come back to complete this work.

Pot-holes are a continual problem. Pavements are also bad around the village. The problem with flooding on the A1175 has not been resolved. Clerk to contact highways again.

There is an on-line reporting system for pot-hole see:
