Parish Council News.....August 2014.

A note of thanks to PGL.....Many residents may not be aware of the great support that we continue to receive from Adam Brierley, PGL General Manager and members of his team. The support that we get whether its items of equipment and goods or hard working members of their staff is very much appreciated and helps organising and running local events so much easier, where would we be without them ? A big thank you on behalf of us all.

Parish Council meetingThe following is a précis of the most significant issues that were discussed at our meeting held on July 12th.

Allotments.....It is very pleasing to note that we have been awarded a grant of £10,000 which will help fund some but by no means all of the costs associated with the setting up of allotments within the village. We now need to discuss with all residents who have expressed an interest in having an allotment how we need to proceed and will have to firm up on the initial quotes that we have for carrying out the necessary work. This will all take a few months to complete but is an important step in making sure that we have everything correctly in place. Many thanks to Cllr Geoff Ashcroft whose hard work has got us to this stage.

Grants.....A grant of £3,000 was made to the Playing Fields Committee upon receipt of their audited accounts which had been approved at their recent AGM. The committee were thanked for all their hard work during the year. In addition a grant of £300 to St.Vincent's PCC in order to help with the funding for the publication of the Caythorpe News. The Parish Council is keen to support local clubs and organisations and will consider carefully any applications made to it for financial support. If you require details as to how to apply please do not hesitate to contact the Parish Clerk.

Road safetyWe are in discussion with Lincolnshire Road Safety Partnership following last year's tragic fatality on the A607 between Caythorpe and Fulbeck in order to see if signage and or road markings can be improved in order to make motorists more aware of the dangers of the bends between our two villages.

Contacting you Parish Council.....If there are any issues that fall within the remit of your Parish Council and which you have a concern please do not hesitate to contact either the Parish Clerk and or any of the above members who will look to help you .

Bruce Nelson.....Chairman

Coffee Morning

The next coffee morning at Cobblers Rise will be on August 15th 10.30 - 12 00. This will be in aid of **Centre Point**, a homeless young persons charity. The last coffee morning for the Mental Health Foundation raised £136.50, boosted by a raffle run by Jane and Faye Harris. Faye ran the 10k London Run for this charity and raised a considerable amount of money. Well done Faye!

Thanks to all those who donated.

Ann Russell

CHURCH FLOODLIGHTING

14 July Dear **Marylyn** with our love Always Joan and Alan

To have the Church Floodlit for your remembrance or celebration please contact Mary Siddans 272371

St. Vincent's Church Caythorpe wins Heritage Lottery Fund support

I am very pleased to announce that we have been awarded funding of £194,800 from the Heritage Lottery Fund (HLF) to repair the nave roof. You will remember that this was supposed to be what the previous grant was for until we discovered that the spire was in urgent need of repair. Included in the grant is a % towards 'new build'. The response to the questionnaire sent out last September was that a disabled toilet and better access were urgently needed. We are thrilled that the grant will cover this. In addition we will be researching, in collaboration with the Sir William Robertson Academy, Welbourn, the history of the World War II battle Operation Market Garden and its 'Arnhem' links to St. Vincent's Church and the village. The findings will be exhibited in the church and on a web site. Research will also be carried out on the names on the War Memorial and there will be new guides developed for both children and adults.

If you are interested in these projects or have information that would help the research do connect a member of the St. Vincent's PCC or me on 01400 273080.

The initial HLF support comprises development funding of £7,800 to help the Parochial Church Council prepare detailed plans to apply for the full grant at a later date. We are now working hard to comply with all the detailed requirements of the HLF and there is still a lot to be done. We hope that the building work can commence early in 2015.

Sally Kelway

From the Editor

Readers should not under-estimate the amount of hard work that Sally Kelway and her team have put in to reach this milestone.

They all deserve our thanks as it is through their efforts the magnificent building that adorns our village is well on its way to being preserved for generations to come.

Roger Welby-Everard

Mediation Group

I think we have missed the deadline for the July edition of Caythorpe News. Our July meditation evening on Wednesday 30th July will be upon the theme of 'Friendship.' The monthly meetings are usually on the last Wednesday of each month.

However, we particularly wanted to draw people's attention to the August meeting on the 27th August, when there will be an opportunity to discuss the purpose of meditation and its different aspects. It would be a very good time for people to join the group if they are thinking about doing so. A reminder also that the September meditation has moved to the 1st October.

Contact Gordon or Margaret Grant for details if you would like to join in :

All monies (after expenses) go towards maintaining the playing field and buildings, not just for this generation but for generations to come

District Councillors Report

Bob Sampson 01400 273873 07766 387872

Grass cutting by the District Councils new contractors Glendale, or lack of, has been the source of much frustration since the beginning of spring. Many of you have rightly commented to me upon this, especially those who keep their own grass frontages immaculate and the Parish Council contractor who attend to greens and memorial areas on a regular basis. What a let-down to SKDC and other District Councils that the procurement of this service has not got off to the best of starts. Ironically the regular operatives over the past year have been transferred across to the new firm but NOT given the tools, machinery, and regular fortnightly timetable to maintain the standard we have all enjoyed in the past, so it's not their fault. Gradually the new company are getting to grips with the reality of the task and we should remain patient.

By contrast the Parish Council, the Village Hall, Sports Club and Church have all been very active and successful in being awarded grants from various external organisations that will enable them to commence initiatives that have long been on the wish list but have required additional funding .All these projects involve new construction or refurbishment to bring them to fruition over a period of time in the future. In the meantime congratulations to all those within the community who have worked so hard to get all these projects underway, everyone will benefit from each of these new projects.

Some of you may be wondering what brought about all the resurfacing works within the village. This follows an inspection with LCC Highways and Parish Council representatives earlier this year of the local infrastructure. As a result there has been adhesive and chippings treatment to several of the central roads which is part of a new specification approach by LCC Highways, and as such I am informed this is carried out in consecutive years to complete the specification for a better wearing and surface protection of the roads presently treated. Carriageway widening works are due to take place later this summer at the far end of Caythorpe Heath Lane towards the High Dyke, this will involve road closures for up to a month between Pottergate Road and the High Dyke, actual dates still have to be confirmed. Works are also shortly to take place to Gorse Hill leading down to Stragglethorpe Lane

The Temple Hill wind turbine application did not go to SKDC Development Committee earlier this month, it will probably now be September at the earliest.

Meanwhile on 27th May 2014 a Planning Application was made for the erection of one anemometer mast 60 metres high for a temporary period of three years on Fulbeck Airfield.

Meanwhile arising from the double fatality on the A607 between Caythorpe and Fulbeck September 2013 a custodial sentence has now been made arising from “Undue Care”. Most importantly Lincolnshire Road Safety have confirmed they will visit this section of road and carry out an assessment in particular to the centre road markings and the future safety of road users on this dangerous stretch of road.

Finally SKDC has a new dedicated webpage, www.southkesteven.gov.uk/dogfouling for residents to report such instances or persistent offenders, a fixed penalty of £75 applies in each instance. Alternatively you can call SKDC on 01476 406080 or by email ehs@southkesteven.gov.uk

The Editor's Lament

Nothing from the Bishop,
Nothing from the Priest,
How to fill the gaps-up?
A funny poem at the least!
(with apologies for the awful rhyme!)

The English Plural

We'll begin with a box, and the plural is boxes,
But the plural of ox becomes oxen, not oxes;
One fowl is a goose, but two are called geese,
Yet the plural of moose should never be meese;
You may find a lone mouse or a nest full of mice,
Yet the plural of house is houses, not hicc.

If the plural of man is always called men,
Why shouldn't the plural of pan be called pen ?
If I speak of my foot and show you my feet,
And I give you a boot, would a pair be called beet ?
If one is a tooth and a whole set are teeth,
Why shouldn't the plural of booth be called beeth ?

Then one may be that, & three would be those,
Yet hat in the plural would never be hose;
And the plural of cat is cats, not cose.
We speak of a brother & also of brethren,
But though we say mother, we never say methren.
Then the masculine pronouns are he, his & him,
But imagine the feminine: she, shis & shim !

Doesn't it seem crazy that ...
You can make amends but not one amend ?
If you have a bunch of odds and ends ...
And get rid of all but one of them,
What do you call it ?

Caythorpe and District Garden Society

Our venue for the July meeting, our Summer Social, was the garden of Karen Mitchell and Paul Ward in Fulbeck. It rained hard during the day, but by the time the event began it had stopped and members were able to enjoy this beautiful garden with its views over the vale.

There was plenty to admire in the garden: a large wildlife area with a wildflower meadow, pond and woodland walk; a very productive kitchen garden which has raised vegetable beds and greenhouses, and a more formal area of borders filled with flowers and shrubs around a well kept lawn. The picnic provided by the members was as plentiful and appetising as always, and a very pleasant evening was had by all. Many thanks to Karen and Paul for opening their garden to us and for all the hard work that must have gone into making it look so good.

The next meeting will be on Aug 12th at 7:30 in Carlton Scroop Village Hall, when Geoff Hodge will give a talk on 'Growing your own vegetables. Visitors will be most welcome (£3, including light refreshments)- just come along. For further information, including membership, please call David Fidler on 01400 272630.

Caythorpe Show

Also coming up this month is the annual Caythorpe Show on Saturday Aug 30th. Everyone, member or not, is welcome to enter or just come along in the afternoon and admire the exhibits. Classes include garden produce, handicrafts, cookery and photography, so there is something for everyone. Show schedules can be obtained from Caythorpe Post Office, chip shop and Spa grocers, Fulbeck Craft Centre or the Leadenham Farm Shop.

The Sunshine Club

If you are over 60 and would like a nice social afternoon come and join us at The Sunshine Club. We meet on the 3rd Wednesday of the month at the Sherwood Rise Centre at 2pm for cards, dominoes, prize bingo & a raffle or just sit and chat. Occasionally we have speakers or a coach trip. Always there is a nice tea and cakes.

For further details ring Barbara Phelps on 01400 272222.

Caythorpe & District W.I News

It was that time of year again for our annual summer outing. This year we decided to go to Sandringham, and a month earlier, as it would be in school term time and a bit quieter. It was, but started to rain on the way there and did not stop till we were half way back on our return journey. Nevertheless we are the W.I and nothing stops us enjoying a day out, soaking up the culture, no pun intended, tea and scones and good company. I think we all enjoyed our time there and made the most of looking around the house, museum and church. Some brave souls even did some walking around the gardens, well done!

On a much sadder note many W.I members attended Marylyn Mason's funeral, she was a very proactive member of our W.I and also a lovely celebrity, she will be so greatly missed by us all. Our sincere condolences go to Alan, her husband, and her mother Joan Webb, also a W.I member.

Our next meeting will be held in the village hall lounge room at 7.30pm on Thursday 14th August. It will be a social evening of light discussion, a quiz and bring and buy stall to help raise funds. Please remember to price items that are to be sold and take back any that are not. Come and join us, you are most welcome to try us out.

Ann Ashcroft

CLIC Sargent Fundraising Events.

I would like to Thank everyone for their support to raise money for this special charity. At the Coffee Morning on Friday July 4th, in the Hammond pavilion we raised £620.

Thank you to everyone who helped , gave donations of cakes, raffle prizes etc., Also thank you for supporting the event.

On Sunday July 13th my eldest Daughter and eldest Grandson did a Abseil down QMC at Nottingham. They have raised nearly £1,800. Thank you again to everyone who sponsored them.

This Charity is supporting my family at the moment as my youngest grandson is receiving treatment for Lymphoma, at the QMC in Nottingham.

They are a wonderful Charity who support families in so many different ways.

THANK YOU ALL AGAIN.

Deanna Hammond.
