Loveden Festival Singers in Fine Voice at St Vincent’s

The Loveden Festival Singers performed their final concert of the summer at St Vincent’s church on 17th July. Their repertoire was varied and included pieces by Handel, Mendelssohn and Rutter, medleys from Oklahoma and My Fair Lady. In addition we heard three Negro spiritual songs. Three of their soloists sang I’ll Never Find Another You, Morningtown Ride, Puff the Magic Dragon, Summertime and Sometimes When we Touch; something for everyone! Delicious refreshments were provided by members at the interval.

All were thanked by musical director, Stuart Freshney for their hard work and in particular Robbie Squire who performed two excellent piano pieces. He emphasised how fortunate they were to have her as their accompanist. He bade farewell to Carolyn and Victor Snaith whose last performance it was and wished them luck as they leave Caythorpe. He concluded by inviting anyone who would like to join the singers. They will be most welcome; their next rehearsal will be the start of the Christmas music!

The evening ended with a lovely rendition of “When Irish Eyes are Smiling”, a particular favourite of mine as I was born near Galway and often sang this with my parents when growing up.

From Sonia Barron
Rural Dean of Loveden

Count your blessings!

At the time of writing we have been having lovely weather, lots of sunshine and blue skies, which always makes people more cheerful and positive. So I thought I would use this issue to tell a story which encourages us to be thankful despite our difficulties and challenges.

Some may know this old hymn but not the story behind it, here is the first verse:

When peace like a river, attendeth my way,
When sorrows like sea billows roll;
Whatever my lot, Thou hast taught me to say
It is well, it is well, with my soul.

Refrain:
It is well, (it is well),
With my soul, (with my soul)
It is well, it is well, with my soul.

The words of this hymn were written by an American lawyer, Horatio Spafford, following a very difficult period in his life. In 1871 the Great Chicago Fire brought financial ruin to him as he had invested in a lot of property in the particular area of Chicago that was damaged by the fire. Then in 1873 he was further affected by the economic downturn.

That same year he and his family were due to travel to Europe together but he changed his plans at the last minute and sent them on ahead of him because he needed to sort out some business problems resulting from the Great Chicago fire.

While his family were crossing the Atlantic, their ship sank after a collision with another vessel and Spafford’s four daughters died, though his wife survived. It was while travelling to meet his grieving wife that he was inspired to write the words of this hymn.

Whatever we may be facing in the months ahead I pray that God may show us even the smallest thing that we can be grateful for.

St Vincent’s Church
Day of Prayer for New Incumbents

The Parishes in Loveden Deanery of Ancaster-Wilsford, Barkston-Hough and Caythorpe Groups are all in vacancy. These posts will soon be advertised and interviews are planned for September.

We invite you to come to Caythorpe Church for a Day of Prayer for the Parishes and for new Incumbents.

Saturday 1st August
8.00am to 6.00pm
8.00 am Short Said Holy Communion
12.00 noon Midday Prayer (led by the Rural Dean, Rev Sonia Barron)
5.30 pm Evening Prayer

We invite people from all the vacant parishes to come for one or more of these services, and also to sign up for half an hour.

Tea, coffee & biscuits will be available throughout the day.

If you cannot come, please pray wherever you are!

LOVEDEN DEANERY - QUIET MORNINGS AT CAYTHORPE

Deanery quiet mornings give an opportunity to take some precious time out in a peaceful, relaxed atmosphere. They usually comprise shared, guided reflection followed by personal quiet time, and are open to all.

Quiet Mornings are held on the first Tuesday of every month at the Sports Pavilion, Old Lincoln Road, Caythorpe, meeting for coffee at 9.45 am for a 10 am start. They usually conclude with a short service of Holy Communion and a shared lunch. Everyone is welcome.

For more information please contact Penny Grosset at 01400 272715 pennygrosset@gmail.com or the Revd Lilian Hall at 01400 250729 johnandlilian.hall@btinternet.com

Please note: There will be no meeting in August

Baking Bread at the WI

Our July meeting was held on a very warm summer evening made even warmer by the ovens in the village hall kitchen being turned on to their highest setting. They were shortly to be filled with twenty-two mini loaves of hand-made bread. The dough instantly absorbs the heat and makes the temperature drop, hence the need for a high oven temperature.

This was one of the top tips given to us by our guest speaker Peter Welbourn (retired) of Navenby bakery who made a washing up bowl (yes) full of bread dough and whilst it “proved” he spoke amusingly about his time as a baker and how much things changed over those years, but the basic way to make bread has not changed at all. He recommended that we made bread when we are feeling angry or annoyed as the kneading process requires all of the air being “knocked” out of the dough! We all took a delicious warm loaf home with us.

President, Janet Hoddell told us of the new project for the Associated Country Women of the World for which we raise money each year. This year we are to assist needy people in the Cameroon by “changing mentalities and empowering groups”. Pauline Dorey, our treasurer, showed us the photograph of “Women in the Workplace” which she entered in a competition at the Lincolnshire Show and came second; it depicted the only woman currently working on the shop floor of a Lincoln engineering company.

The 13th August meeting is to be held in the garden of Cobblers Rise where we will “Bring and Share” a picnic with host Ann Russell. We plan to start around 2pm and finish at 4.30pm, please bring a chair and cutlery etc., as you would for a picnic. Any garden sized games would be fun too, Jenga, quoits, dominoes, pick up sticks and the like, if you have them to bring. In the event of rain we will use the village hall instead. Please note that the 10th September meeting, which is a Harvest Supper is at FULBECK VILLAGE HALL.

Goodbye to Lincolnshire

Sir - Farewell! After 10 enjoyable years in Caythorpe we are moving to Clifton, Bristol to be close to our daughter and her family. We would like to thank all our friends, acquaintances and the associations with which we have been involved for enriching our time here.

With very best wishes,

Carolyn and Victor Snaith
Caythorpe

Pussy cat, Pussy cat

Sir - DO YOU KNOW WHO I BELONG TO?? We are very keen to find the owner of this lovely black affectionate cat with white paws and tip of tail. He/she has been in our garden before but has now decided to live here permanently! We don't mind him/her here in the garden but need to find the rightful owners as soon as possible, certainly before the colder weather.

If you are the owner or you know who the owner is, please contact me asap: Jackie, Frith House, Normanton. phone 01400 250302/07836 695282 or email: jackiegonzalez@btinternet.com.

Congestion in Caythorpe

Sir - Recently John Scott, a lifelong village resident, raised in News and Views the subject of the Parish Council’s failure to address the congestion in Caythorpe High Street. As the longest-serving Parish Councillor, I would like to inform residents of the Council’s approach to the views he has expressed.

The High Street evolved in the horse era and now deals with a four-fold increase in village size and with motor vehicles. There are homes with no off-road parking, a School, a Sure Start Centre and a Playgroup totalling up to 30+ staff members and their associated vehicles. There are customers at the shop together with users of the Village Hall. Now throw into the mix the buses and delivery lorries - this is the reality of the 2015 High Street.

Are yellow lines the answer with their draconian fines for non-compliance?

Some years ago the Council and the Highway Authority produced such a plan to restrict parking. After some discussion, this idea was shelved for the following reasons:

Parking restrictions would result in the displacement of large numbers of vehicles. To where? Further up and down the High Street, to Back Lane or to South Parade?

In school hours, a long line of vehicles would stretch from Arnhem Drive to the Waggon and Horses? There would be nowhere for other vehicles to pass without encroaching onto grass verges and pavements. High Street residents would

(Cont’d on page 11)
find difficulty parking near to their homes. In addition the viability of our village shop would be affected.

In 30 years the village has lost two butchers, Askey’s Mini Market, Margaret Richard’s Hairdressers and the Co-op. The Post Office is currently up for sale. Their may be an opportunity for this to move to the Spar Stores.

It is, therefore, vital that the viability of the shop is protected together with consideration for the plight of residents with no off-road parking.

Yellow lines would increase traffic speeds with the associated safety implications.

The Parish Council has enlisted the cooperation of the School, the Sure Start Centre and the Village Hall urging their employees, and visitors to park without causing obstruction to the free flow of traffic. All these organisations are co-operative and fully aware of the problem.

There is a school staff car park with an entrance into Back Lane. It was badly designed as it only provides five parking places. By removing the high kerb and the grass within the fenced-off area, more spaces could be provided without taking any of the children’s play area. Possibly, herring-bone parking places could be created by the school’s perimeter fence.

However, Back Lane is a single width road without pavement, footway or lighting. In addition, could the staff be expected to walk out onto Back Lane on dark, winter afternoons and evenings in bad weather? Of course, there is also the question of cost and who is going to pay.

Both the Council and the Highways Authority have discussed the provision of lay-bys to allow the children to be dropped-off and collected.

The council contacted Stagecoach requesting details of vehicles causing obstructions to the No 1 bus route. They suggested liaison with the police and both PC Nick Smith and PSO Babs Mooney have been informed.

The matter of parking on the High Street is on the agenda (again) at the next Parish Council Meeting on Wednesday 9th September when all the issues will be discussed and opinions given. Parishioners are most welcome to attend.

**Appeal for new committee members for Caythorpe Preschool**

Caythorpe Preschool needs new volunteers to take roles on the charity’s management committee.

The busy Pre-School has been in operation since 1987 when it ran from the village hall with just 4 members of staff.

Today it has its own dedicated premises attached to the school and employs 7 members of staff and cares for 28 children.

Without an active committee Caythorpe Preschool will not be able to operate; we are therefore appealing for members of the local community to join the team to ensure the preschool continues to provide a valuable service to the families in Caythorpe and the surrounding villages.

To be involved, you do not need to have young children. We need people who can devote a minimum of 5 hours a month to attend meetings and carry out their duties. In particular we need people with accounting, finance and HR skills and administrative and/or fundraising experience.

If you are interested in joining the committee or would like to find out more please contact Colette Linforth colette.linfirth@yahoo.com or Debbie Pinfold caythorpepreschool@gmail.com
The 1st Caythorpe Brownies

As we end our summer term the 1st Caythorpe Brownies have had a very full and varied programme. A few examples of activities include completing the Water Safety badge, finishing our Friends to Animal badge, church cleaning and a trip to see Disney on Ice.

At the end of the term the Brownies performed their entertainment evening for parents and leaders. As a treat on the final night we took the Brownies bowling which we all thoroughly enjoyed.

In September we will have places available for new children to join or to go on the waiting list. So if anyone is interested in joining (ages 7 – 10) please contact Denise Lyon on 01400 273391 or email denise-lyon@hotmail.co.uk.

Below you can see a poem one of the Brownies wrote for her entertainment evening performance:

We are the Brownies happy and strong, we don’t do anything wrong,
We think of others before ourselves and clean the dust off the shelves,
We have Brownie songs in our head and always, always make our bed,
Remember Brownies don’t do pranks.
We have loads of Brownie laws and have loads of chores;
Discover our adventures out to see and someday you’ll be like me

Ramblings of the Old Rector

As the Hon. Chaplain of the Bomber Command Association, the 28th June saw me taking the annual Act of Remembrance at the Bomber Command Memorial in The Green Park, London, as I have done every year since HM The Queen unveiled it on 28 June 2012.

Every year about 200 veterans of the bombing offensive against the Nazi regime return with their families to remember their old comrades, and Joy and I greet them now as old friends. Jim Dooley (of The Dooleys), who worked so hard with Robin Gibb (of the Bee Gees) to raise the enormous sum of money required for the memorial, attends each year. As does the architect, Liam O’Connor, and the sculptor, Philip Jackson. Their age dictates that some of these frail old men now find it difficult to pull the skin off a rice pudding, but in their youth they flew Lancaster and Halifax aircraft through the flak-bursting skies over the Ruhr and elsewhere in occupied Europe. I am proud to be their chaplain.

When I am not involved with young people, either at Sir William Robertson Academy or with Air Cadets in No.3 Welsh Wing, I spend much time with the retired Air Force. The 8th August will see me nearer home; I shall be officiating at the dedication of a headstone on the grave of a pilot who crashed on that day in, 1923, near Grantham having taken off from RAF Grantham – later RAF Spitalgate.

Having survived the First World War as a soldier, receiving a commission in 1917, Robin Jacques was promoted to the acting rank of Captain in 1919. Despite playing centre-forward for the Army, he was transferred to the reserve when the Army ‘down-sized’ in 1922. The following year he was awarded a Short Service Commission in the RAF, in the rank of Flying Officer, and he signed for Fulham FC.

Sadly he never played for them, because while he was undergoing flying training at RAF Grantham, with only 30 flying hours under his belt, his Avro 504K crashed near Old Somerby ten minutes after taking off. His wife and children, a boy aged about four and a little baby girl aged 18 months, lived at the Red Lion, Newton, on the A52. They returned at once to London. The little girl, Hattie, who never knew her Dad, was to become a famous actress.

Robin Jacques was buried in Grantham Cemetery, but his grave was never marked with a headstone. That will be remedied on 8th August.

Brian Lucas (The Last Rector)

Visit to Village Churches

On behalf of the Church and Walk Group of Grantham U3A (The University of the Third Age) we were asked to arrange a morning visit to our local Churches.

We decided to visit the churches of Carlton Scroop and Normanton-on-Cliffe and we asked Brian Lucas to be our guide. We also asked Liz Naeem whether she would give a guided tour of the lovely wild flower churchyard at Carlton Scroop. It was a very successful morning, enjoyed by everyone and we have received many favourable comments. The photographs are just a taste of our morning.

Ann & Edward Russell
A Fun-filled evening with Cliff ‘n’ Chips

The Women’s Institute dull and boring! Absolutely not and that can be confirmed by all of those in attendance on 27th June at our fund raising Fish and Chip supper.

What a surprising and fun filled evening we all had with guests laughing, singing and dancing between the tables. The evening was run by Andy Lloyd and his family (of Island Truffles and Treats) from Horbury Bridge in West Yorkshire. They came equipped with everything they needed to feed and entertain us and began the evening with a demonstration of how to make brandy and Belgian chocolate truffles. Andy did this in his natural comedic style and had us all laughing out loud.

Once this was over, his team produced plates of delicious and hot fish and chips which we ate with gusto. Tables were cleared quickly and Andy then came around to every table for us to take an absolutely delicious chocolate truffle as our dessert.

(Cont’d on next page)
Dancing to the Bee Gees

Whilst Andy “changed”, President, Janet Hoddell drew the raffle and thanked the members and guests who had provided over twenty prizes for us. Then, the versatility of this man, Andy, came to the fore; he had a fantastic singing voice with which we were entertained with songs from the fifties and sixties as well as other classics. Members couldn’t keep still with feet tapping and eventually took to the floor dancing to the music. We then sat and rolled with laughter with his Bee Gee impression complete with wig and sunglasses.

Who would have thought that this unusual combination of entertainment would work? But work it did and a fantastic evening was had by all, I don’t think it will be the last time we will see him either, so watch this space!

Grateful thanks must go to members who came in the morning to set up the tables, table flowers and also, to Carlton Scroop village hall for the loan of their water jugs and vases. Angela Turner, secretary, arranged it all enabling the members to enjoy the evening without any of the hard work. Thank you Angela.

**Sue’s Solutions**  - Home-made Jewellery Cleaner

1 tbsp salt  
1 tbsp baking powder  
1 tbsp washing up liquid

1 cup hot water  
1 piece aluminium foil (enough to cover bottom of shallow bowl)

Pour the hot (not boiling) water into the foil covered bowl. Place the salt, soda and washing up liquid on top and gently mix together making sure the salt and soda are dissolved.

Place the jewellery into the bowl making sure it is completely covered with the solution and leave for 5-10 minutes, depending on how dirty it is.

Rinse in cold water thoroughly and dry completely with a soft cloth.

Discard the solution and make up a new batch next time.

According to wire-sculpture.com “this works well for gold filled, brass, nickel and sterling silver. I have cleaned jewellery with freshwater pearls, shell cameos and mother of pearl with no problem”.

**Disclaimer**: So far I have only used it on sterling silver with excellent results but I cannot be held responsible for any problems encountered cleaning other jewellery.

“Sue”

CAYTHORPE MEDITATION GROUP

A lively group of people meet on the last Wednesday of each month at 7.30 p.m. in the home of Gordon and Margaret Grant to practice simple, peaceful, meditation techniques and explore a theme of their choice after the actual meditation.

The August meeting is on Wednesday 26th August and the theme chosen for exploration is ‘Uniqueness.’

People from differing religious backgrounds or none have joined the group over the last year and have enriched the experience for everybody. If you would like to participate please contact Margaret or Gordon Tel. 01400 273194 or email: edgemount@btinternet.com

A warm welcome awaits

Carlton-le-Moorland and District Art Group

Despite there being a “Summer Lull” in demonstrations and workshops arranged by Carlton-le-Moorland and District Art Group members are hard at work preparing work for the Club’s Exhibition to be held later this year. (Do note the dates in your diary: Saturday 10th October and Sunday 11th October)

There are two demonstrations arranged for later in the year and being given by exceptionally fine artists. Haidee-Jo Summers, whose subject will be “Portraits in Oil”, and Ian Risley who will be demonstrating “Landscape in Pastel”. Do check out their web sites to see the quality of the work they produce. Both of these events are, like all our demonstrations and workshops, held on a Saturday and open to members and to visitors who are always welcome.

The Club’s Thursday “Painting Morn- ings” are continuing throughout the summer in Carlton-le-Moorland Village Hall between 10.00a.m. and 1.00p.m. with members meeting up informally to paint and draw.

Rather than wait until the exhibition or for the demonstrations later in the year prospective members are welcome to call in on a Thursday to see the Club in action. Alternatively details of all club activities, dates etc. are available on the Club Web site www.carltonlemoorlandartgroup@blogspot.co.uk or by ringing David Raines on 01522 810843.

This magazine is financed by the advertisers who pay for the printing costs.

When making contact with them, please support us and tell them you found their advertisement in News and Views.

Twenty years from now you will be more disappointed by the things that you didn’t do than by the ones you did do, so throw off the bowlines, sail away from safe harbour, catch the trade winds in your sails. Explore, Dream, Discover. – Mark Twain
TRIPS to Clumber Park, Hunstanton, London and Frieston

Recently, the whole school have enjoyed several different trips, including residential trips and a whole-school trip to Clumber Park. Here is a summary of what we’ve been up to!

Clumber Park
The whole school went to visit Clumber Park on the 14th of July. We went for a treat for doing brilliant at collecting our gold bars. Key Stage Two did orienteering which involved reading a map and walking through woods and searching for clues. Year five/six played a game of cricket before everything started and the teachers also joined in. Reception played in a woodland park and then happily made dens in the woods. We also went in the walled kitchen garden and saw many different plants and fruit and even saw talking rhubarb! We had lots of fun and enjoyed the day out in the woods.

Hunstanton
Y1/2 went to Hunstanton for two days and they went to the sea life centre. They saw lots of different kind of fish. After that they went to the seaside and paddled in the sea. They stopped off at the fish and chip shop for tea. Amazingly they slept in a room where there was glass around them so when they slept they could look up and see colourful fish and daring sharks.

London
Year five and six went to London. We went on the London Eye, visited the Natural History and Science museums, took a boat cruise along the River Thames and watched the Lion King! At night we went to sleep in a Premier Inn which was very exciting. We had a very busy two days enjoying some of London’s best attractions.

Frieston
Year three and four went to Frieston. They did a scavenger hunt, a river investigation day, a blind-folded obstacle course and had a campfire with roasted marshmallows.

They slept in Frieston residential centre for two nights and had a great action-packed trip!

Written by Reanne, Ruby and Hannah (Year 5)
SPORTS DAY

On Tuesday 23rd June, we had an awesome sports day. Miss Beanland organised a new format for sports day this year to make there less sitting around waiting and more activities and having fun. We had lots of new events this year: the speed bounce, the long jump, the sit down throw, the long run and even Welly Wanging! We still had the sack race, sprint and hurdles. We had lots more activities.

We also had new sports day teams based on the 5 Olympic Rings and the five continents – Asia, Africa, Europe, America and Oceania.

The team that came third was Oceania, the team that came second was Asia and the team that came first was Africa. At the end of an amazing day, we had a whole school relay!

Written by Cleo (Year 5)

Caythorpe and District Garden Society

The summer social was held in the beautiful Fulbeck garden of two of our members. The evening was cloudy, but warm and dry, so we all had a chance to walk round the extensive garden and admire the well tended and often unusual plants featured. Although not formally divided into ‘rooms’ the space is broken up by mature borders containing trees, shrubs and herbaceous perennials, and winding paths lead the visitor between the different areas. The beck runs through part of the garden, and the damp soil supports a good selection of large ferns and other moisture lovers. Planted pots, sculptures and topiary add to the interest of this much admired garden. We also had an enjoyable buffet, with food brought by members and wine provided by the society, to round off a perfect evening. Our grateful thanks to our hosts, and to the members who organised the buffet.

The August meeting will be in Carlton Scroop village hall on Tuesday 11th August at 7:30pm. Ian Cooke will speak on ‘So very versatile perennials’. Visitors (£3) will be most welcome. Just come along.

Caythorpe Show

The show will be held on Saturday 22nd August in Caythorpe Village Hall. Anyone may enter, and there are classes for garden produce, cookery, handicrafts and photography. Schedules are available from the Spar Shop and the Post Office in Caythorpe, Belton Garden Centre, Fulbeck Crafts and Leadenham Farm Shop.

Set up and judging take place in the morning, and doors open for viewing and cream teas at 2 pm.

News from Sir William Robertson Academy

So many villagers have expressed delight that Sir William Robertson Academy, Welbourn, known to us affectionately as “Will Rob”, has recently had a “Good” Ofsted inspection, that I thought I would let you know what the inspectors said.

They were in the school for two whole days; they observed lessons, spoke with the pupils and teachers, and went into every department. The Lead Inspector also had a session with some of the governors, to ensure that we were well-informed about the standard of teaching and learning throughout the Academy. They concluded that the school was “Good” in every area, and bordering on “Outstanding” in some. The four inspectors considered that the wide range of subjects taught captured students’ interests and ensured they enjoyed all the courses they follow. They thought that the academy uses educational visits to places like Berlin and Castle Acre, as well as residential trips, inter-house sporting competitions and cultural visits to the theatre, very effectively to enhance students’ learning.

They saw for themselves that the governors value good teaching and monitor the quality of teaching, and support the Head teacher in tackling underperformance. They agreed that governors manage the Head teacher’s performance closely, linking targets to the academy’s improvement plan. They noted that staff targets are linked to students’ progress and good teaching. It will come as no surprise to villagers that they found that the behaviour of students is good. They said the students have positive attitudes to learning, take pride in their appearance and cooperate well with adults. Furthermore, in class, students listen politely to teachers and to one another, and engage with teachers’ questions and contribute sensible answers.

With regard to the sixth form they reported that the academy’s provision of good, impartial careers advice helps our senior students to plan their futures, so that virtually all students progress to higher education, employment or training. They reported that the vast majority of students have high aspirations, and that an increasing proportion goes on to study at Russell Group universities. Considering that this is only the end of the third year of the sixth form’s existence, that is high praise indeed.

I must say that I always enjoy being in the Academy, whether it is with the teaching staff or signing cheques in the finance department, but most of all when I meet and chat with the pupils.

The Venerable Brian Lucas
Chairman of the Governing Body

Parish Council News…..August 2015

Co-option to the Parish Council…..I am pleased to be able to report that we have filled the three vacancies and have co-opted Rachel Mountain, Karen Bailey and Mike Budden; their contact details will be shown in the September edition. I would like to thank the other four residents who took the time and trouble to put their names forward for co-option.

Parish Council grants .....The meeting held on July 8th agreed that grants of £3,000 should be given to both the Village Hall and to the Playing Fields. This is in recognition of the excellent way that both organisations are run and managed.

Parking on pavements…..Residents are reminded not to park their vehicles partially or fully on footpaths and pavements. This causes considerable problems for those who are partially sighted and in particular for one resident whose guide dog refuses to take its owner pass such obstructions. This also causes problems for those with prams and pushchairs.

Dog fouling .....This anti social behaviour continues to cause concern. We will be distributing leaflets to all households shortly reminding dog owners of their responsibilities and the fine of £75 that can be issued by an Authorised Officer for any one not clearing up after their animal. In addition there will be contact details if residents wish to report an incidence of dog fouling.

Grants for community projects…..The Parish Council sets aside a sum each year for the making of grants to organisations where it can be demonstrated that a particular project will be of benefit to the community. If you would like further details with regard to this please do not hesitate to contact the Parish Clerk.

Contacting the Parish Council…..If there are any issues over which you may have concerns and which fall within the remit of the Parish Council please do not hesitate to contact either the Parish Clerk and or any of the above Councillors.

July has been another very busy month for all of Caythorpe's Cricket Teams, with some superb Cricket being played at all age levels and with very favourable results!

Currently the Senior XI are joint leaders of Division 2 of the Sills & Betteridge Lincoln League and looking favourites for promotion. Boston were defeated by 62 runs. Caythorpe batted first and progressed to 169 all out, with Luke Endley top scoring with 41, followed by James King with 34. Boston were dismissed for 107 in just 23 overs. Dan Pinfold had the most success with the ball, taking 5 wickets for 42 runs whilst Nick White took 4 for 20.

We then collected full points without playing against North Scarle as they conceded due to shortage of players.

The next match was a very low scoring affair, with Caythorpe, batting first, only scoring 91 runs, Andy Wilson with 22 and Rob Pealing (29) being our only batsmen to reach double figures. Feeling downhearted going out to field Caythorpe's spirits quickly rose again thanks to some fantastic bowling by Luke Endley. Luke took 8 wickets for just 9 runs, the second best bowling performance ever in the Lincoln League. Most of his victims were cleaned bowled, the stumps regularly cart-wheeling out of the ground. Dan Pinfold picked up the other two wickets as Hartsholme scored only 29 runs.

Caythorpe's Under 9's continued their winning ways, defeating Cherry Willingham and Collingham, to remain joint leaders of their League. By the time this appears they will have played Bracebridge Heath in a game that could decide the title. Two games have been rained off, but we are trying to reschedule them. Most of the 25 players who have been training on Friday nights have now played in a match, even those as young as five and six, so the future of the Club looks assured! Eight girls are in this Group of whom two, Lotte Wells and Andrea Kiddle, have progressed to play for Lincolnshire. Several parents have stepped forward to assist and are waiting for the next available ECB Coaching Courses to look after this Team as they move up the age groups.

Our Under 10's have played three matches, defeating Woodhall Spa but losing to Grantham and Hartsholme in close-fought games. In each we were just 10 runs short of victory. This team is now looking quite confident about playing with a hard ball and some are surely destined to progress to County level.

The Under 11's have played another 4 games and have won two, against Boston and Grantham, but lost to Collingham and Sleaford. This age-group has had difficulty fielding 11 players at times due to other calls on the youngster’s time. School trips, plays, parent's evenings, Scout camps, all taking their toll. Fortunately the Managers could draft in Under 10's who performed very well at this higher level when necessary so no games had to be forfeited showing the Club's strength in depth. like the Under 10's this Team is in the top half of their League Table. Moving up to the Under 13's we can report on yet more success. Currently second in their League Caythorpe have beaten Barkston, Bracebridge Heath (twice), Boston and Sleaford (twice) in a busy schedule which has seen them playing twice a week.

(Cont’d on Page 31)
Caythorpe's Under 15's are at present leading the Lincoln Under 15 League having recently defeated Boston, Bracebridge Heath and Grantham (twice).

As we approach the Summer Holidays we come to the end of the Junior Season and only a few re-arranged games remain to be played. In all over seventy youngsters have represented Caythorpe this year and we hope they will all continue enjoying the healthy benefits that playing the sport can bring in future years. Our Annual Presentation night will be on Friday September 11th when the Hammond Pavilion and marquee will be packed with youngsters to celebrate their achievements and enjoy a famous Caythorpe BBQ and food-fest!

Finally, a mention of the Pop Endley Memorial Day. This will be a whole day of fun, featuring the usual game between the current Caythorpe Senior Team and an Eleven selected by Steve and Luke Endley. During the lunch interval there will be a game featuring our Under 10s and 11s (and possibly a few Under 9s!)

Forthcoming Cricket Fixtures at Caythorpe
2nd August First Xl v. Reepham
5th August RAF Coningsby v. ?
19th August RAF Coningsby v. ?
27th August Lincolnshire U15 Girls v. Cambridgeshire
30th August Pop Endley Memorial Day
20th September First Xl v. Market Rasen

I stayed up all night to see where the sun went ....
... then it dawned on me.

Friends of St Vincent 200 Club
June Draw: £15 - Anne Miller
£10 - Carol McNulty
£5 - Mike Bavin

July Draw: £15 - Duncan Siddans
£10 - Muriel Henderson
£5 - Mike Bavin

For a modest £1 per month you can have the chance to win a prize of £15, £10 or £5 in the monthly draw, and larger prizes at Christmas and Easter.

All proceeds go towards improvements and extras for the Church which are outside normal running costs.

To get tickets please contact Mary Siddans (01400 272371). Mary would also be pleased to hear from anyone who could help with collection of stake money.
On Saturday, 18th July, Caythorpe Playing Field saw the start of the first ever Very Amazing Pink Ribbon Race and produced some extraordinary sights! Our Member of Parliament, Stephen Phillips, came along to help start things off and got a bit of a surprise because he hadn’t been warned that as part of a selfie challenge participants needed to try and get a photo with him, preferably on a spacehopper. He certainly entered into the spirit of things, and is shown here with team Walking Wounded, when we think he may be exercising parliamentary privilege.

Weather for the day was perfect and with the council having undertaken some essential clearance on footpaths along the route, those who were walking were able to enjoy our beautiful countryside without being stung by nettles.

The event will have raised about £5,000 for Breast Cancer Now, the charity newly formed from the merger of Breast Cancer Campaign and Breakthrough Breast Cancer, which will go towards vital research in support of their aim that no-one need die from this disease by 2050.

With participation by Sudbrook Moor Golf Club, Syston Fruit Farm, Chandlers Mitsubishi, Belton Garden Centre, Maidenhead Aquatics and Grantham Tennis Club, and support from businesses including The Red Lion, The Brownlow Arms, The Hare and Hounds, The Bell at Coleby, Moy Park, Equilibrium Gym at GTC, Grantham Bowl, and Grantham Fun Farm this truly was an excellent local effort.

Participants enjoyed a barbecue and more at Grantham Tennis Club during the afternoon, and plans are already afoot for something bigger and better in 2016.

Parish Council News July 2015

A Parish Council meeting was held on the 8th July 2015.

Mrs Kaberry-Brown introduced herself as the new District Councillor representing the area that includes Carlton Scroop and Normanton on Cliffe. She explained that she sat on the Planning committee and would look to support the Parish Council in any issues that they may have.

An update was given regarding the appeal against the refusal to grant planning permission for the wind turbine in Carlton Scroop.

Parish Clerk Vacancy

The Chairman reported that there had been an expression of interest in the post and interviews had taken place on the 29th July 2015 and as a result a new clerk (Mr Adrian Illingworth) had been offered the position which he had accepted.

Aims and Targets

The Chairman explained that the Parish Plan which had been written in 2008 was now out of date and needed revising. The plan would detail what the Parish Council hoped to achieve in the next five years, however he stressed that it was important that the views of the residents was vital in this process. If any resident of Carlton Scroop or Normanton would like to discuss this please contact the Chairman.

Other Matters

It was reported that most of the footpaths which had been reported as blocked had now been cleared, however one still remained blocked.

The next meeting of the Parish Council would be on Monday 7th September 2015 at 7:30 p.m.

Parish Plan Review

Operating independently of the Caythorpe and Frieston Parish Council, a parish plan review group has been formed to begin a series of consultations with local people and businesses. Review group members are Jo Russell, Jean Nelson, Tom Mountain, David Cree, Rob Cook, Gordon Grant (chair) and Andrea Smith (clerk to parish council, ex officio).

Youngsters from the village school have already been involved in a series of projects, gathering information about the community (housing, playing field, roads, businesses, environment) and surveying each other, to establish their views about what kind of community they would like to see now and in the future. They have produced some wonderful posters and displays which you will be able to see at the Gala on the Playing Field on Saturday 5 September. At the Gala you will also be able to record your own views about community needs and resources (there will be a dedicated parish review stall). So please do come along.

There are plans to consult with community groups and businesses and also to distribute a household questionnaire later in the year. Keep watching these pages.

Gordon Grant

In and Around the Garden

What a difference a week can make. I went away for a few days at the beginning of July, and the hot weather had transformed the garden when I returned. All the brash and bold stars of the high summer garden had begun to flower in shades of yellow, orange, red and mauve. One plant that has rather surprised me is the unpronounceable Dianthus carthusianorum, a relative of the carnations and pinks. I acquired a small plant 18 months ago, attracted by its blue green foliage and tall stem topped with 3 or 4 tiny bright magenta flowers. This year it has sent out dozens of stems, making a wonderful airy and long lasting display in one of the driest, stoniest parts of the garden. A lucky find.

The insects are out in force; I have never seen so many pollen beetles before. They always appear in the garden after the oil-seed rape stops flowering, and they definitely have a preference for yellow and white flowers, but this year there seem to be more than usual. Out of curiosity I plucked a single-flowered yellow dahlia and counted 146 of them in this one bloom alone. So be careful if you smell a white rose – you may inhale more than just its perfume!

A neighbour has reported a family of spotted flycatchers in his garden. They have set up home in a climbing hydrangea and have raised two broods. These small brown birds are easily identified by their habit of perching on a conspicuous twig waiting for an insect to come near. They then fly out and grab it in flight, and using wings and tail as air brakes, turn on the spot to fly back to their look-out post. They over-winter in Africa, returning in late spring to breed; with all the concern over declining bird numbers it is pleasing to find them doing well in Caythorpe.

Renewable Energy

September 18th was a critical date in many people’s minds, so it was with much relief that we learned in July, before this six month expiry date in September, that RWE, would not be appealing the SKDC Planning Refusal for the five Wind Turbines at Temple Hill, Brandon.

The downside of this news was the disappointment to learn that Energie Kon-tor are about to submit planning applications to SKDC and NKDC for 10 wind turbines at Fulbeck Airfield. As decided at a recent cluster meeting of Parish Council representatives for SKDC and NKDC, it is very important that as many of the public write to or e-mail their District Councils setting out their own views upon such applications. The overriding message from this meeting was “to protect our countryside and landscape character.”

Straw Storage

Remaining with Fulbeck Airfield, the agents acting for Sleaford power station straw baled storage and transportation are believed to be soon also submitting a planning application for change of use from agriculture “to industrial storage”. This follows a long consultation period with LCC Highways concerning large load vehicular movements along the C100 (Stragglethorpe Lane) and the excessive deposits of straw cuttings along the gutters and verges of the A17 towards Sleaford.

Mid UK Recycling

The recent fire at Ancaster has raised again a number of concerns as to the health and safety and management issues among the surrounding communities close to the Caythorpe recycling site.

I can confirm that all the Emergency agencies involved in such incidents, together with the Lincolnshire Fire Brigade, put into operation at the recent Ancaster incident the procedures developed following the de-brief meeting after the 2012 Caythorpe fire. In the Ancaster case, the decision was to extinguish the fire, which, as we all know, took almost a week to achieve, with the local community being advised to keep all windows and doors closed throughout this period.

In the meantime, I have asked our County Councillor, Paul Wood, to press a case for the review of Mid UK’s “Operators Licence” with the appropriate body in the County Council.

Summer 2015

It is the season of Parish fetes, BBQs, Open Gardens, and Flower Shows for all to enjoy, we look forward to joining in with these forthcoming events.
