Snowdrops and Crocuses - A Sign that Spring is on its way

Book your seats for Caythorpe’s Valentine’s Ball

The Caythorpe & Frieston Village Groups come together every year to organise the annual Gala Weekend in September. This event acknowledges important connections our villages had with the billeting and training of 1st Airborne Signals Regiment (now 216 Signals Regiment) leading up to Operation Market Garden, Arnhem 1944.

In recognition of those lives lost, not only at Arnhem but in other conflicts since 1944, a September weekend of events are held. A Friday evening Village Hall BBQ, Saturday Gala and Sports held on the Playing Field and the Social Club, Sunday Memorial Church Service followed by the parade of veterans along with past and present members of 216 Signals who march to the Village Hall. There they are joined by their companions to enjoy a magnificent lunch buffet which is hosted by the Arnhem Committee. In-debted thanks go to the generous support of local businesses, food wholesalers and suppliers and an army of volunteering washer-uppers, table clearers and waiters who ensure the 150 plus Regimental attendees have ultimately a memorable send-off after their weekend.

Despite our already invaluable and established list of donors and supporters for this event, the Arnhem Committee must fund raise endlessly to ensure this commemorative token remains within our local heritage and continues indefinitely. The Arnhem committee hold an annual black tie Dinner & Dance for this very reason. The proceeds of which pay for the Arnhem veterans, their companions, the attending serving soldiers of 216 Squadron to enjoy the Sunday post parade, buffet lunch.

This year's event will be held on Saturday 14th February at Caythorpe Village Hall. The ticket price of £39.00 includes a sit down four-course dinner, table wine plus a cheese buffet with port & coffee to follow. There will be musical entertainment, champagne and a wine bar plus the Village Hall bar, raffle, auction and other fund raising events throughout the evening.

This event is NOT exclusive to Caythorpians, so whether you are from Hough, Sudbrook, Carlton, Normanton, Frieston, Fulbeck, Leadenham et al and you would like to join a table of eight or could make up your own table plan then phone your booking through right away. Telephone Doreen on 01400 272848

Caythorpe Primary School’s ‘Healthy Change’ Day

On the Friday the 16th of January, Caythorpe School had a healthy school day to encourage our school to be a healthier and fitter school.

Doing so, our deputy head teacher, Mr Cook, has decided to enter every sports competition to make a better change for the schools pupils and enable all children to represent our schools at many different sporting events.

Throughout the day we tried a number of activities, to promote our school to create a healthier environment and a healthier change for us. These activities included:

- Breakfast tasting- we tried a number of cereals to find a healthier alternative and to remember breakfast is the most important meal of the day.
- Zumba which is an aerobic fitness through music. Everyone in the school was encouraged to have a go
- Making an alternative to crisps by making vegetable crisps. We peeled different vegetables and placed them in the oven. It was a very good way of showing how easy it is to replace unhealthy snacks.
- A physical activity- this activity was led by a change for life instructor who taught us how exercise can be so easy to achieve.
- A sugar investigation
- Identifying and trying different fruits and vegetables

We discovered what types of sugary drinks and we found out that a can of red bull contains the most amount of sugar which is 11 grams of sugar per 100ml the least amount of sugar was the bottle of water. Did you know that in one regular can of coke there is 39 grams of sugar, or 9 ½ teaspoons?!

Our school had a great day finding out all about the importance of being healthy.

From: The Revd Alison Healy

I am sure that we have been shocked by recent events in Paris and the debates raging around freedom of speech. My husband and I separately read a letter in The Telegraph which seemed to sum up one line of thought which read along the lines of that we should have the freedom to say what we like about peoples’ faith or lack of it but the good manners to not indulge that freedom. I wonder what you think?

Within our community at St Vincent’s we are still attempting to articulate problems which have beset the church for many years and are lucky that our outgoing and incoming rural deans are facilitating the discussions that I set up. As I asked some months ago please do continue to pray for us.

I will be setting up a ‘surgery’ where individuals will be more than welcome to come and share their concerns about our communities in the 9 parishes that I am responsible for. Please do look out for posters advertising times/days and churches where this support will be available. It will be great to have direct contact with people and I hope that you feel the same; after all if issues aren’t raised honestly and directly then they can’t be resolved, can they?

It is hoped that Lent courses and ‘moral maze’ type community meetings will be springing up around the place for the New Year.

I know that many of you miss the community café church and the support and opportunities that it provided. As the old saying goes something like you don’t know what you’ve got until it is gone! Again watch this space as we attempt to do something about this in a supportive situation.

The amount of church services will change in February onwards even though the ongoing dynamic has not changed. If you are concerned at all then please do speak out and visit the surgery.

Yours in Christ and hoping that my name will be respected,

Alison S. J. Healy

CAYTHORPE & FRIESTON COMMUNITY HEARTBEAT PROJECT

There are now four defibrillator units commissioned in the village.

1. The Playing Field Pavilion, Old Lincoln Road
2. The Village Hall, High Street
3. The Old Chapel, Chapel Lane
4. Frieston Green

IT IS IMPORTANT THAT RESIDENTS ARE AWARE OF HOW THE SYSTEM WORKS
ALWAYS DIAL 999 FIRST!

- The operator will advise if there are first responders on duty, if not they will advise of location of nearest defibrillator to you, and give the code for accessing the cabinet.
- If possible ask someone – family or friend to fetch the defibrillator, you should start and continue with CPR. Do not leave the patient alone
- The defibrillator will automatically give clear and concise spoken instructions as to how to use it
- Continue with CPR and the defibrillator until such time as a paramedic arrives and takes over
- When treatment has finished the defibrillator must be returned to the cabinet and the co-ordinator, whose telephone number is shown on the inside of the cabinet door, must be advised that it has been used, this will enable to unit to be restored to a state of readiness for future use.

A Letter from Bishop Christopher

This month the church begins the season of Lent – traditionally a time of reflection and prayer when we, ourselves, reflect on our life as followers of Jesus.

During Lent the story of John the Baptist will be read in our churches. John is a fascinating character who risked being mocked not only for his eccentric dress and his bizarre taste in food (locusts and wild honey) but also for the controversial things he said: calling people to repentance. To ‘repent’ is to turn away, to change direction and do things differently.

John called his hearers to turn away from the mistakes of the past and to re-orientate life in the Christian way. That is the same vocation to which God, through Jesus and his church, calls us today.

As you know the diocese has begun a Year of Discipleship running through 2015 and I’m excited about the signs of growth and renewal in our churches which I hope will flow from this initiative. One of the things which set John the Baptist apart was that he was prepared to talk about things that matter – what it is to lead a holy life, how to reflect on our experience through a spiritual lens, how to talk about God and so on.

I want all of us to be able to talk freely about our faith. My hope and prayer is that the Year of Discipleship will increase our confidence about doing that, help us to find the words to share the love of God with those we meet in our daily lives and for our faith to be expressed in lives of discipleship and service, enabling us to make a real difference to the life of our communities.

Bishop Christopher

First Caythorpe and Frieston Community Lunch - Christmas Day 2014

Nearly fifty guests attended a highly successful Christmas Day Lunch in Caythorpe Village Hall. An excellent three-course meal prepared by a team of volunteers headed by Robert George and Paul Godfrey was enjoyed. Sincere thanks from all the guests.

Community Heartbeat

The Community Heartbeat project has now been completed in respect of installing all four of the defibrillator units. These are located at Caythorpe Village Hall; The Sports Pavilion; The Old Chapel, Chapel Lane and at Frieston Green.

This has been a remarkable achievement by our community raising in excess of £8,000 in less than two years.

We still need to continue with fund-raising as we have ongoing costs in maintaining the equipment and, going forward, launching the Village Emergency Telephone System (VETS) which will hopefully be early in the new year.

If you would like to donate or to help raise funds please contact Bob Greybrook on 01400 272611

Christmas Dinner on Christmas Day in Caythorpe

Forty nine people sat down to enjoy a traditional Christmas dinner at Caythorpe and Frieston village hall on Christmas Day. It was a real community event - individuals, couples and small family groups, all ages from 2 - 94. Doors opened at 12.30 pm and we understand that the last stragglers left some 10 hours later!

We were overwhelmed by the support, enthusiasm and appreciation. We realised it was going to be something rather special when more than 20 volunteers appeared at the village hall on Christmas Eve to help set up. So many people contributed in so many different ways it would be wrong to mention individuals, we would just like to say thanks to everyone.

We thoroughly enjoyed doing it and look forward to next year. Largely due to the kind support from Mandy at the Leadenham Farm Shop we have £35 left in the kitty to go towards next year's event - see you there!

Paul and Robert

Many congratulations to Paul and Robert for their fine community initiative - Ed.

Carol Singing Around Carlton Scroop

Monday 22nd December saw a merry band of enthusiastic singers and their accompanying musician set off at 6pm to sing carols around most of our village of Carlton Scroop.

We felt incredibly fortunate that the weather favoured us. It had been a really blustery day but, as we set off, the wind dropped and the forecasted rain held off.

Thanks to our generous residents, we collected £123.53 for St Nicholas Church and for our Village Hall, a fantastic result especially as we were just out enjoying ourselves! We not only collected money, we collected singers too, some joining us for a few carols, others for the rest of the evening. Finally, we arrived at the village hall where everyone enjoyed mulled wine and mince pies.

We thought we were most likely reviving an old village tradition, but it appears Carlton Scroop hasn’t seen carol singers for at least 30 years – until now! Everyone agreed that it was great fun, with a joyful festive atmosphere and that the date should be firmly fixed into our future Christmas Calendars!

Caythorpe and District Garden Society

We are an active and friendly group of around 60 with a common interest in gardening. The subscription year begins in February, and for a mere £12 you can enjoy 8 talks and 3 social events as well as the AGM. New members are always welcome, as are visitors (£3 each), to our meetings at Carlton Scroop Village Hall on the second Tuesday of the month at 7:30pm. Just come along, or contact David Fidler (01400 272630) if you need further information.

Our programme for 2015 is opposite on Page 13.

Caythorpe & Frieston Village Hall's Village Breakfast

Started in May 2012, it is still going strong and, combined with the Table Top Sale, it has become a focal point for many members of the community who come along to meet and chat with friends or to sit and read the Sunday papers whilst enjoying a “Full English” Breakfast.

The breakfast, which is served between 9.00 am and 11.00 am, consists of Egg, Bacon, Sausage, Black Pudding, Tomatoes, Mushrooms, and Hash Browns and comes with a fruit juice, tea or coffee and toast. All this for just £5.00. All is cooked and served by members and friends of the hall committee and the profits go towards the upkeep of and improvements to the premises.

The event is usually held on the third Sunday of the month – do check the dates in News and Views. Why not give this a try on February 22nd – our next breakfast - you may even pick up some bargains or purchase some of the home-made products on sale at the Table Top Sale.

District Councillors Report  
Bob Sampson 01400 273873 - 07766 387872

Congratulations to “News and Views” on the splendid January 2015 edition, the first of many! - Thank you, Ed.

Already we are well into the New Year 2015, with January almost gone by we can all look forward to lighter mornings and longer days leading into Spring. Amazingly despite the recent cold snaps bulbs, buds and new plant shoots are already appearing. So too are the national, district and parish elections fast approaching promoted already by the start of national campaigns and media reporting, that’s politics and democracy at work, promises, promises and more promises!! What the outcome will be nobody can accurately predict with the introduction and interests of new political groups coming onto the scene.

At District and Parish level as an Independent I firmly believe there should be no political interference or whipping, the community as a whole is there to be represented with a fair an unbiased approach. During 2014 an electoral review of South Kesteven District Council (SKDC)was undertaken by The Local Government Boundary Commission for England. An electoral review examines and proposes new electoral arrangements for a local authority. A local authority’s electoral arrangements are:

* The total number of councillors representing the council’s voters (“council size”)
* The names, number and boundaries of wards or electoral divisions.
* The number of councillors representing each ward or division.

SKDC currently has 58 councillors, the Commission recommended that 56 should serve the district in future, representing eight single-member, eighteen two-member and four three-member wards. The Commission believes the final recommendations meet the SKDC statutory requirements to:

* Deliver electoral equality for voters.
* Reflect local community interests and identities.
* Promote effective and convenient local government.

Under the new arrangements the existing Heath Ward (Caythorpe and Fulbeck) will be extended still as a single-member ward to include the parishes of Hough on the Hill, Stubton and Fenton and will renamed as Loveden Heath, thus preserving the name of Loveden one of the wards that is to be extinguished under the Commission’s recommendations.

I am also aware that the present Loveden ward includes Normanton-on-Cliffe, Carlton Scroop and other nearby communities that may be on the extended circulation of “News and Views”. As a result of the changed electoral arrangements each of these communities will be within a new two-member ward to be known as Peascliffe and Ridgeway which extends to Belton and Great Gonerby.

With only four months to go until election day, Thursday 7th May 2015, I hope this helps to clarify the SKDC new electoral arrangements for our communities.

My final “Open Surgery” date before election day will be Saturday 14th March 2015, 11.30am-2.30pm at Fulbeck Village Hall.
Organisers of Elvis Night Hope to Raise £500 for Alzheimer’s Charities

Around 830,000 people in the UK have a form of dementia and more than half have Alzheimer’s disease. Around 23 million people in the UK have a close friend or family member with dementia and one in three people over 65 will die with some form of the disease. Right now, treatments are very limited and there is no cure.

As well as the huge personal cost, dementia costs the UK economy £23 billion a year, more than cancer and heart disease combined. Despite these figures, dementia research is desperately underfunded.

Alzheimer’s Research UK, is a charity dedicated to funding research into effective new treatments and a cure, and Alzheimer’s Society champions the rights of people living with dementia and the millions of people who care for them.

On March 7th ‘A Night With Elvis’ will see acclaimed Elvis tribute artist, Arron Philips perform at Caythorpe and Frieston Village Hall. Organisers of the event hope to raise at least £500 for these two charities. One of the organisers, Caythorpe resident, Sam Fells, explains: “The inspiration for this event is my father-in-law, Keith who was diagnosed with Alzheimer’s almost five years ago. He’s a life-long Elvis fan and although his condition is advancing quickly, he still gets so much pleasure from listening to Presley’s music. Arron is a brilliant tribute act so dig out your rhinestones and come along, it’ll be a really fun night for all ages.”

Tickets cost £10 including a light supper and are available from the Post Office and the Red Lion or from Sam (call or text 07939 559388). Do bring your own drinks and glasses. Absolutely everyone welcome.

“Often, the difference between a successful marriage and a mediocre one, consists of leaving about three or four things a day unsaid” Harlan Miller

Calling All Pool Players

Carlton Scroop and Normanton-on-Cliffe Social Club are trying to set up an in-house singles pool league for club members only. Membership of the Social Club is only £4 per year. Subject to the number of players showing an interest in the league, games could be played on any night the club is open - currently Monday, Friday and Saturday nights - as long as your game is played in that week.

There will be a points scoring system for a win, draw or loss. Grantham Pool League rules will apply and a trophy awarded to the winner at the end of the season with the possibility of cash prizes for the winner and the runner-up. The entry fee will be £5 and each round will be over six games on the night. We hope to start in early February.

If you are interested, please call in to the club on opening nights for further details or contact Steve on 07976 512681.

Parish Council News......February 2015

Recent meeting .....The following summarises some of the more important issues that were dealt with at our meeting held on January 14th 2015.

Budget and precept for 2015/16.....It was agreed unanimously that there should be no increase in the precept for the forthcoming financial year of 2015/16; it therefore remains at the current level. The budget for the forthcoming year was also approved although as there will be a new Parish Council following the local elections in May of this year there may be some reallocation of expenditure but of course no increase is possible to the overall total. If you would like a copy of the budget please do not hesitate to contact the Parish Clerk.

Future of our Post Office.....We are very concerned that this invaluable facility may well be forced to close. Whilst it is very much a public service it does nonetheless have to produce an adequate financial return for those who manage and run it but their ability to do so has been hindered over time by the taking away of more and more services that were once delivered locally. We have kept our Member of Parliament fully informed and will do all that we can within our somewhat limited powers to try to ensure that we can continue to have a Post Office in the village.

Parish Plan.....It was agreed that the Parish Plan that was produced in 2010 should be revised and that a resident who is not a member of this Parish Council should be made responsible for carrying out the necessary work. The next meeting of the Parish Council will consider a likely time table.

Highways......It was agreed that a meeting should be held as soon as possible in the village with LCC Highways in order that we can bring to their attention roads and footpaths that are in need of repair and enhancement.

Bad weather.....We appear to be experiencing a cold spell and we should all be prepared to ensure that if we do have frail or elderly residents as neighbours that we make sure from time to time to check on their well being.

Bruce Nelson......Chairman
