Bell Ringers
Always In Tune

I opened the door at the base of St Vincent’s Church tower to reveal an extremely narrow, winding stone staircase. A strong rope attached to the inside pillar was my only help but it reassuringly supported me in the circular climb to the ringing chamber. Up it spiralled. I did not look down. At the top another door opened and Richard Johnson, the Bell-ringing Captain, helped me into the room.

The ringers, numbering five on this occasion, welcomed me and explained their ancient art. They then proceeded to ring out the bells over Caythorpe. Richard guided them with different commands and the bells engagingly changed their tunes.

The bell ringers, Sue Frayne, Margaret Lane, Kate Morgan and Mary Rushmere together with Richard, obviously enjoy the task. With their colleagues David Fidler and Robert George, who were absent on this occasion, they meet fortnightly on Wednesdays at 7.30pm. They ring the bells for services and for special commemorations and are very proud to be continuing with a long and tuneful tradition at Caythorpe.

St Vincent’s has a full peal of eight bells, the oldest of which dates from the 17th century. I was assured that it was quite safe in their little chamber beneath the heavy bells, although I was informed of a time when the hammer fell from the church clock and became mangled between two of the bells above them.

Richard said that visitors to their rehearsals are always welcome and he appealed (!) for new members to come along and try out this very ancient and worthwhile art. Do make the time! Do the climb! The St Vincent’s bell ringers are looking forward to welcoming you. Richard’s number is 01400 272002.

From Sonia Barron, Rural Dean of Loveden

"Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable--if anything is excellent or praiseworthy--think about such things."

Words from St Paul in his letter to the first century Christians of Philippi to acknowledge the gifts they had sent him and to encourage them to be single-minded and trust their lives to God in all things and under all circumstances.

We too can be encouraged by his words as the deanery looks towards the future and reflect on the past. On Thursday 18th June eight people were confirmed by the Bishop of Grimsby in Hougham church, eight people affirming their baptismal vows, publicly declaring their faith and their desire to be followers of Jesus. This is indeed admirable, excellent and praiseworthy and worth thinking about. Let us remember to pray for them that they will be strengthened in their faith.

We are looking towards the future and hoping to appoint two new priests to serve in the seventeen parishes which are currently in vacancy. The success of these appointments will need all who live in these parishes to be positive and encourage and work with any new incumbent as he/she seeks to minister and carry out mission and ministry in the new configuration of parishes.

Reflecting on things that are right, true, lovely, pure, noble, excellent and praiseworthy from the past will be a good place to start. Learning from things that we didn't get right and accepting the forgiveness of our Lord Jesus Christ as we repent and turn our backs on those mistakes will help us move forward.

The Christian Faith is unique in that we are given the opportunity to receive God's forgiveness and begin again EVERY TIME we get it wrong, and God never reminds us of how many times we get it wrong but welcomes us back with open arms like the father of the prodigal in Luke's gospel. Let's think on these things.

IN MEMORIAM

IAN DAVID MONEY, of Blidworth, Mansfield, died suddenly at home on 10th May 2015 aged 45. He was the youngest son of Amy and Ian (Able) Money of Lime Tree Close, Fulbeck, and formerly in Arnhem Drive, Caythorpe.

Ian David achieved the rank of Warrant Officer in the Queen’s Royal Lancers, and served with distinction in Cyprus, including a tour with the United Nations Forces, Germany and Iraq. Villagers were delighted to see him wearing his campaign medals with pride at the Act of Remembrance at Fulbeck on Remembrance Day last November.

We extend our sympathy to his widow and young daughter, and to Able.

THE ARNHEM SUNDAY
FAREWELL LUNCHEON

During 1944 Caythorpe was the training centre for some of the Signals Regiment & Glider Pilots for Operation Market Garden 1994, which has now become known as the Battle of Arnhem. The surviving members of this campaign, and the 216 Signals Parachute Regiment return to Caythorpe, on the anniversary of the battle each year. Traditionally the villagers of Caythorpe made these comrades welcome, and offered some of them overnight accommodation. They attended the memorial church service, and before their departure they would go to the Eight Bells Public House, where refreshments were served provided by the goodwill of the Village people.

Unfortunately, owing to the times the Eight Bells had to close, one of the comrades, Sergeant Perry of the Signals Regiment, asked his wife to try and arrange another venue for them. Mrs Perry met with Mrs Doreen Taylor and, subsequently, the Village Hall became the venue for the Departure Luncheon.

This was during the mid-nineties and from that day onwards this luncheon has grown. The serving members of 216 Parachute Regiment, some 150 soldiers, now attend. With the passing years the number of old comrades has declined, but their relatives have continued to celebrate this anniversary in even greater numbers. So what started 20 years ago as a small affair with 20 to 30 people, has now grown to as many as 350 people attending the luncheon.

From its small beginnings funds were raised for the Refreshments: incorporating car boot sales and market stalls selling bric-a-brac collected from local people. As the numbers grew it was found that insufficient funds could be raised in this manner. Seven years ago, the Arnhem Ball was inaugurated and a younger section of villagers also offered their help. This has proved most successful.

The monies raised from the Ball has enabled the organisers to feed the departing Comrades and Soldiers. Any surplus funds have been in the past distributed to Charities, such as Help for Heroes, Blesma (a charity which supplies prosthetic limbs to disabled servicemen), Caythorpe Village Hall and Caythorpe Playing Field.

The Annual Regimental Dinner for 216 Signals Regiment Officers and Ranks is held the previous evening in the Village Hall. The regiment provided all their catering needs for this function, together with waiters and Piper, and of course the “wee dram” for toasting the Queen, the Regiment, and the village of Caythorpe.

Major Graham Clarke, the Commanding Officer of the 216 Signals Regiment would like let to the people of Caythorpe know that the Regimental officers and men regard Caythorpe as their spiritual home. (It is interesting to note that Caythorpe is the only village in England to which an active British Army Regiment returns to annually). He quotes: “As for the future we will continue to return to Caythorpe for as long as the villagers want us to”.

Veterans at Caythorpe

Sir - Firstly, well done on the incorporation of Caythorpe News within the News and Views publication and ensuring its longevity following Mr Welby-Everard’s retirement.

Secondly, I imagine that by now you have had others point out that your picture of the Red Lion is perhaps not quite what you first thought with many wondering how the pub had moved a couple of hundred yards up the High Street? Of course, you will know now that this is in fact the Old Red Lion (1784 – 1939) that ceased trading when its license was refused (?!?) extension. (I’d be intrigued to know why if others have given further information) and the current Red Lion (1892 – Present) continued.

Hard to make out too much detail from the photograph in the magazine, but if it is still owned by Watney’s Brewery this picture perhaps therefore has an early war vintage rather than post-1945.

The gentlemen certainly give off a military air, but the lack of significant Regimental accoutrements perhaps suggest this is not an Arnhem parade. Given the combination of civilian attire and campaign medals perhaps one might speculate these are early WWII Caythorpe recruits preparing to do their bit? Many seem a bit long in the tooth for this explanation though.

I’m not certain, but think the derestricted road traffic sign came about after the 1934 Road Traffic Act. At that time, and I believe in the late 30s/early 40s when this picture may have been taken, this sign used to mark the boundary between lit roads that had a 30 mph limit and derestricted non-lit roads. The High Street up to the Old Red Lion would have been restricted. The position of the Old Red Lion (Dry Walls today – since 1966) as the last building at the top of the High Street would be a logical point to place the sign and for street lighting to end too.

I’m sure you’ll let us know the views of others in the magazine, but I think this is a splendid picture and one that I would be interested in obtaining a copy of, if the owner allows, to study further and see if it holds any other clues or answers.

Anyway, thanks again for the intrigue. I hope someone is able to shed more light...

Where is Rev. Green?

Sir - I enjoy reading News and Views very much and I read it from cover to cover. I also like your monthly quiz, but you fooled me this time. I tried The Old Kent Road then Mayfair and even the Jail but no Rev. Green. I can only think he was murdered somewhere else. Whatever the answer, please continue with the quizzes.

Sir - You’ve done a good job with the newsletter, very colourful!
One query - The quiz asks which board continued on next page
game features the Rev. Green and the answer given is Monopoly; surely the correct answer is Cluedo.

Caythorpe and District Environment Group

In 2005 the Caythorpe and District Environment Group (CADEG) was formed particularly because of concerns over developments on the Station Road site.

The group has over recent years ceased its activities, and there is now little need for it as recently demonstrated by the Parish Council's success over the planning application for weekend and bank holiday access to the site.

There are some funds, approx £300, in a bank account. As the ex-Treasurer of CADEG I am suggesting that this account should be closed and the monies given to the Council for Preservation of Rural England (CPRE), a charity whose aims are close to those of CADEG.

If any one has any views on this please contact me (roger@welby-everard.com).

In the absence of any better ideas I will do as I have suggested in this letter

Parish Plan Review

I have been invited by the Parish Council to organise a review of the parish plan. The parish plan is an important document as it sets out the aims and ambitions for the parish over the next five years. I am currently in the process of setting up a review group with representatives of local community organisations and businesses. The review group is completely independent of the Parish Council.

At the top of our agenda will be ways of consulting the community to find out what people want from our local area. It is likely that this will involve a household questionnaire (with an online survey option), focus groups with local groups and organisations, 1-1 meetings with businesses, projects for children and surgeries or ‘listening events’ at large community gatherings such as the gala. The aim is to complete the review with a refreshed parish plan by summer 2016. Watch these pages for further details.

If you have any questions about what is being proposed here or, even better, if you would like to assist the review in any way or wish to share issues about community needs then please get in touch with me (email: edgemount@btinternet.com or tel: 01400 273194).

Appeal for new committee members for Caythorpe Preschool

Caythorpe Preschool needs new volunteers to take roles on the charity’s management committee.

The busy Pre-School has been in operation since 1987 when it ran from the village hall with just 4 members of staff. Today it has its own dedicated premises attached to the school and employs 7 members of staff and cares for 28 children.

Without an active committee Caythorpe Preschool will not be able to operate; we are therefore appealing for members of the local community to join the team to ensure the preschool continues to provide a valuable service to the families in Caythorpe and the surrounding villages.

To be involved, you do not need to have young children. We need people who can devote a minimum of 5 hours a month to attend meetings and carry out their duties. In particular we need people with accounting, finance and HR skills and administrative and/or fundraising experience.

If you are interested I joining the committee or would like to find out more please contact Colette Linforth colette.linfoth@yahoo.com or Debbie Pin-Charity Coffee Morning

At Cobblers Rise
On Friday, July 10th
from 10.30am to 12.00noon

This will be in aid of 'Missions To Seamen' a cause close to Edward's heart!

The last Coffee Morning in aid of Palestinian Refugees was very well attended and we raised £91.50! It was a glorious morning and there were people everywhere, some in the garden and some taking refuge inside, there were also plants for sale.

Looking forward to the next one!

Local Hearing Centre Celebrates 6 years in business

We’re proud to announce that Correct Hearing have recently celebrated 6 years in business offering hearing care solutions to the local community. Firstly we would like to thank all of our existing clients for their ongoing support - we couldn’t have done it without you!

When I was a teenager I had meningitis which left me with a one sided hearing loss so I fully understand the complexities arising from hearing issues and this was a great influence on my chosen career path. I went into audiology after completing my A levels and studied at the Nottingham School of Audiology. I was awarded a BAAT and began working firstly within Nottingham Hearing Services and then moving on to a more senior post at Lincoln County Hospital. During this time I built up a number of other disciplines including tinnitus care and paediatric testing.

Having previously worked within the NHS and then for a large national company I wanted to create a more relaxed and bespoke service for people with a hearing loss.

The business was started in May 2009 by myself and my husband and in that time we have proved to be very popular and quickly grown to a team of six!

I think the fact that we are a small, friendly, family run centre is what appeals to most of our clients as our ethos has always been to make clients feel part of the family.

We pride ourselves on our aftercare service as we believe this can be more important than the hearing solution itself. Our clients know that they have our care and support for the lifetime of the hearing aids.

Many clients are very thankful for our home visit service so their hearing can be assessed in the comfort of their own home in surroundings they are familiar with.

Alongside the business I have a very busy home life as I am married with 5 boys - two of which we have fostered for the past 6 years. When not working, most of my time is taken up with music as the children are involved with various orchestras. I have a keen interest in music myself and have recently taken my GCSE Music exam!

Here’s to the future and we hope that we can go from strength to strength!!

Caythorpe and District WI

To mark the centenary of the WI, a celebratory cake was made and decorated by Sandra Snell together with a glass (or two) of bubbly. However, our monthly programme had another facet: Line Dancing. Of course, for many of us this American form of dance presented a few problems, but as Karen Holtom, a qualified Line Dancing Instructor, was on hand, anyone who felt fit enough, or ambitious enough to give it a go was invited to get into line(s) and wait for Karen to show us the steps.

Ho-down music is hypnotic and for those less inclined to dance were asked to foot tap and clap to the rhythm, and the roof of the village hall was soon reverberating to the sounds. Naturally, with so much exercise together with the prospect of cake and bubbly when an interval arrived - we enjoyed more cake and bubbly before taking up the dancing again. We had a superb evening’s entertainment and although for some it might have been a bit too strenuous, the option to sit and watch is always there.

However, our July meeting will be less strenuous as Pete Welbourn is to give us a demonstration on bread making, whether there will be samples of bread (made previously) is not known, but one thing we do know is that we will have a good evening’s entertainment.

The WI is an organisation for women of all ages and interests, and it relies on the local community to bring together all facets of village life, so for newcomers to the district why not come along and meet us, you might be pleasantly surprised by the diversity of outlook and interests of members.

Caythorpe Drummer Makes Debut Single

Lenin are a Leeds-based dream pop quartet whose excellent drummer, Jacob Marston, lives in Caythorpe. It is well worth catching their music video Could You Be Loved? which is now on YouTube - http://youtu.be/znGr3PhtxQo. Reminiscent of the high vocals of Kate Bush, singer Imi Holmes shows off her vocal skills. The band is completed by Rob Dell on bass and vocals and Adam Kemp on guitar. Do watch this. Be warned: in future you may need to think twice about tomato soup!

Caythorpe and Frieston Allotment Association
The story so far in 2015 ....

- Groundwork and perimeter fencing were completed by the end of March
- Plots were made available from April
- The public opening of the Allotments took place on 1st June
- There are 22 full and half size plots
- Each full-size plot is 17m x 11m
- One of the plots has been taken by Caythorpe School

The plots are now all filled and there is already a short waiting list. All but one or two of the plot holders have no previous allotment experience—so we are all learning together.

Next Steps ....

- There are plans for a communal shed (when funds allow), located next to the parking area
- The main pathways will be seeded with grass during the autumn
- More signage will appear shortly
- Look out for details of more allotment fund-raising events

Our intention is to sell surplus produce to local residents with the money raised being returned to the allotment fund - Do watch out for details of produce sales.

Caythorpe and Frieston Allotment Association present a Social evening with BBQ and Entertainment from Paul Breslin an Internationally Renowned and Accomplished Singer of Repute at Caythorpe Village Hall on Saturday 25th July 7.30pm to 12.00midnight

**Save The Children’s Den Day**

On the last day of term (22nd of May) Caythorpe Primary School held an exciting den day. Den day is all about raising money for the Save the Children charity. Throughout the day we did some fun activities such as building dens outside in our outdoor den-making area using resources such as tarpaulins, tyres, garden canes, rope, camouflage nets and anything else we could find! Also the whole school built their own class dens in their classrooms using materials that children brought from home.

We all brought in a donation of 50p to come in non-school uniform and we managed to raise £70. In conclusion we had really fun time raising money for the charity and we hope our money will make a difference.

**Gardening**

On Fridays at lunch we have a gardening club and sometimes we go down to our new school allotment. Plus when we have Golden time, you can do gardening as well. So far in the allotment, we have been turning over the ground and removing weeds. We have also been making a new scarecrow to go to our allotment plot.

In our school greenhouse, made from plastic bottles, we have plants and seeds ready to go into our different gardens. We also have a sensory garden at school and the soil is arriving this week. If anyone in the village has any plants that they could donate for our sensory garden, we would greatly appreciate this.

THE VERY AMAZING PINK RIBBON RACE

This fun event is getting closer, so time to get your entries in! On Saturday 18th July participants will set off from the Caythorpe Playing Fields, by any means they choose, having first negotiated a short spacehopper course and had the opportunity to enjoy catering provided by Deanna Hammond and her excellent team of volunteers. Local MP Stephen Phillips has promised to come along to start the event, and if you manage to get a “selfie” with him that will score bonus points in the en route selfie challenge – more details of what that involves on the day.

The on foot route will take you through some really beautiful countryside, with the first stop at Carlton Scroop, then on to Syston and Belton, with more activity stops there. By kind permission of Belton House participants will walk through a section of the park, exiting at the Lion Gate onto Belton Lane. The route then takes you through Elizabeth Park and Wyndham Park for another challenge activity, finishing at the Grantham Tennis Club.

At GTC support is being provided by Positive Futures and local charity Inspire+ and there will be plenty of fun to be had including the chance to challenge yourself against a table tennis robot or a reaction machine, to join a game of wheelchair targetball, and more. There will also be a barbecue and other catering available.

Advance entry costs just £12 per adult and £8 per under-16, with any under-12s receiving a £5 voucher against an Inspire+ summer camp. Entry can be done through the sign up button on our Facebook page, or by visiting www.breastcancercampaign.org/amazing-race, which will also give you details for setting up sponsorship.

All funds raised will go to support vital research undertaken by the charity, and in particular will be focussed on some exciting projects that are seeking to identify ways to prevent spread of the disease to other parts of the body.

If you able to support the event in other ways, such as marshalling or baking please email theamazingpinkribbonrace@gmail.com or telephone 07732 498887.

Caythorpe's Hospital Car Scheme

Are you aware of the Hospital Car Scheme? We are very fortunate to have three friendly volunteers, who live in Caythorpe, and give their time to take local residents to various hospitals. These can include Grantham, Lincoln, Newark, Nottingham and Boston.

They will take you, drop you off, or stay with you if you request AND bring you back again! You do not have to pay for their time you just pay 40p per mile.

Their names are;
- Jo Davidge-Gates 01400 272240
- Barry Dixon 01400 272382
- Paul Carter 01400 273486

The scheme is run by the Caythorpe & Frieston Parish Council. To use the service just ring the volunteers direct to see who is available for your journey. It is best to give as much notice as possible, even if it just a short notice appointment, in order to ascertain who is available on the day. By making early contact you are more likely to guarantee availability.

Contact details of the volunteers are also available at Caythorpe Surgery - just speak to reception. The surgery telephone number is 01400 272215.

CARETAKER/CLEANER

A CARETAKER/CLEANER is required to start in September 2015 for 23 hours per week due to the retirement of our current caretaker.

Hours to be split before and after school.

We are looking to recruit a friendly, enthusiastic and highly committed school caretaker who will ensure that our children learn in a safe, clean and healthy environment. The post will involve keeping the school clean and tidy, well lit and heated; site security including locking and unlocking premises; routine repair and maintenance tasks and porterage duties; liaison with contractors and ordering cleaning/domestic materials; being primary key holder for the site and possible working hour variation for some unsociable hours.

Please contact Mrs Fay Madge, our school administrator, for an application pack.

Caythorpe Cricket Report

June has been a very busy month for the Cricket Club, with several games each week to be played by our various Teams. The weather has caused some disruption: although there have not been many rainy days, those few seem to have always caused matches to be cancelled.

In Junior cricket the policy is to re-arrange fixtures. This causes nightmares for the managers, trying to find dates to suit both teams when the ground is free and they are not involved in school trips or other priorities.

The Seniors have played two more games, having had a couple of Sundays without a fixture due to Blankney having dropped out of the League because of shortage of players. The team suffered at the hands of Bassingham, who scored 113 for 1 in reply to Caythorpe's 111 all out with only Luke Endley (36) and Joe Attewell (26) getting into double figures. Caythorpe's bowling was wayward, conceding 32 extras - not good when defending such a small total.

The next game showed a huge improvement with the Team retuning to its normal form. Batting first against Reepham a huge score of 289 for 3 wickets was amassed. Luke Endley top-scored again with a magnificent unbeaten 119, whilst James King was also undefeated on 61. Joe Attewell, Dan Pinfold and Andy Wilson also made good scores. When our turn came to field the bowlers had mended their errant ways, skittling the opposition for just 70 runs; Dan and Luke taking 3 wickets each.

Continued on next page
Caythorpe Cricket Report  -  continued from page 24

Caythorpe's youngest group, the Under 9's, played 4 matches, defeating Lindum and Nettleham but losing to Hartsholme in the home game but gaining revenge in the away fixture to be sharing first place in the League.

The Under 10's, having practiced with hardball, have played one game so far, defeating Lindum. Sam Gilbert top scored with 11 not out. Other games have been postponed due to the weather, but all will be played.

The Under 11's have lost four games, being defeated by strong teams from Boston, Grantham, Barkston and Sleaford. However progress is being made.

The Under 13's, most of whom are under 12, have also come up against strong opposition, losing to Woodhall Spa, Grantham and Boston. They did defeat Grantham in the away fixture, when Harry Clough scored an unbeaten 25.

Finally, the Under 15's have had three good victories, against Woodhall Spa, Barkston and Bracebridge Heath. In a score of 112 against Woodhall Spa, Max Hubbard scored 33 not out, Jonathan Law 24 and Jamie Watson 21. Against Barkston, Cameron Catleugh made 30 and Jon O'Shea Pilkington 35, both not out.

Currently this team are in second place in the Lincs League, and we wish them well in their remaining games - having three matches in hand over the top placed Woodhall team.

Caythorpe Open Gardens

We have had a lovely summers day for visiting the Open Gardens, Midsummer Day, in fact!
So many thanks must go to all those who opened their magnificent gardens to be enjoyed by all; the village was buzzing with people walking from garden to garden. Also, thanks to all those who helped with the refreshments, the Lead- enham art group and all those who brought plants to sell.
We will let you know how much we raised in the August edition of News and Views. We hope to see you all again in two years time.

**World Challenge Team Quiz**
The Red Lion hosted a fundraising quiz for the Sir William Robertson Academy World Challenge Team on Sunday 31st May.

There was an excellent turnout for the quiz with 16 teams taking part. The winners were ‘The Improbables’, a team consisting of Angela and Richard Turner, Pauline and David Dorey and Sue and Tony Case.

The quiz and raffle raised £369, which the proprietors of the Red Lion kindly raised to £400. The Red Lion also generously provided the quiz prizes.

A team of seven Year 10 students and one 6th former will be departing for Thailand on Friday 17th July. During their 11 day trip they will be trekking around Burma where they will be visiting the Bridge over the River Kwai, the POW museum and the 7seven-tiered waterfall in Erawan National Park. They will then travel to Songalia Children’s Centre in Sangkhaburi where they will help to clean and renovate the school.

Ramblings of the Old Rector

I am in France, in that part of the Auverne known as Les Dômes. To be precise, I am in Clermont-Ferrand. This is a dark, granite city, encircled by a ring of dormant volcanoes. The cathedral is known as the ‘black cathedral’ from the colour of the stone, and the local water is marketed world-wide as Volvic. Puy de Dôme, the highest of these extinct crattered hills, towers to the west of the city so that one’s eye is drawn to it at the turn of a corner in the old city. As I leave the cathedral by the west door it seems to look down knowingly, “Ha! You’ve lit your candle and said your prayers, but I’m biding my time.”

I remember feeling the heat on the soles of my feet as Joy and I stood on the upper slopes of Mount Etna during a volatile period of activity in 1974. As a geomorphologist, Joy was in her element picking up samples of still-hot rock ejected by the recent eruption, and explaining the process to our two young boys; I was more intent in listening to the bangs and hissing from the fissures all about us, and suggesting that it might be time to leave the mountain for a spot of lunch. As we nursed our hired car through the blackened remains of vineyards and ruined villages, which were still partially occupied though smouldering, I remember observing that human beings are tenacious creatures. Once we call a place ‘home’ and invest labour and emotion in its establishment, it is easier to prise a limpet off the rock than it is to get us to move out, even in an emergency. So while I despair of those who choose to live alongside a river liable to flood, or on a coastal cliff suffering constant erosion, or on the slope of a ‘dormant’ volcano, I can at the same time understand their vociferous attempts to stem the inevitable act of nature, and remain in their home. I was going to say, “keep the home fires burning”, but we witnessed to the truth of that on Mount Etna.

I suppose similar emotions are at work in the people of Aleppo, Damascus and Baghdad. I was moved mightily at a documentary, titled ‘The Promise’, on Channel Four some years ago, now available as a DVD. It tells the story of the enforced removal of Palestinians from Israel in 1948 at the creation of the Jewish state. As they locked the door of their homes, the dispossessed Arab owners treasured the key, in the hope of their home being restored to them in the future – the ‘promise’ of the title.

Yes, we are very fortunate to live in peace in the Caythorpe benefice. Meanwhile, the volcanoes of the Auverne in France are dormant, resting; please God I shall be well up the A71 towards Orléans before ‘Reveille’ is sounded.

Mid UK Recycling Ltd Planning Applications……The nine planning applications that had been submitted by Mid UK, which were designed to enable them to extend their hours of operation to include every Saturday afternoon, Sunday and all Bank Holidays, were refused permission at a meeting of LCC Planning and Regulation Committee held on Monday June 8th. The meeting was attended by a number of residents and Parish Councillors from Caythorpe. County Cllr. Paul Wood spoke objecting to the nine applications as did representatives from both Fulbeck and Carlton Scroop & Normanton parish councils as well as myself on behalf of ours. It was very pleasing to note that some 80 letters all raising objections were sent in by the residents of the foregoing parishes.

I would like to thank all those who took the time and effort to write as it helped lend weight to our argument. Whilst we support the need to recycle waste we saw no reason at all to change the current balance between the operations of Mid UK and the local community’s interests.

Allotments…..It was very pleasing to be able to hand over responsibility for the day to day running to the newly formed Allotment Association which is chaired by Mr Howard Fuller. It was also good to see that both the Grantham Journal and the Sleaford Standard published the article and photograph that they were sent. Many thanks to Cllr. Geoff Ashcroft for writing and sending in the article.

Co-option to the Parish Council……It is good to be able to report that some seven residents have put their names forward to be considered for co-option to the three vacancies that we have. A selection process will now be undertaken.

Forthcoming meeting ….The next meeting of your parish council will take place in the Village Hall on Wednesday July 8th commencing at 7.15pm when residents will be able to comment on and draw issues to the attention of the meeting. The main meeting will commence no later than 7.30pm.

Parish Council News May 2015

Following on from the Parish Council elections which were held on the 7th May the Annual Parish Council meeting was held on the 18th May. David Balfe was elected chairman for the forthcoming year with Simon Hutton elected as vice chairman.

Richard Rainthorpe was thanked for his efforts in arranging for the bus shelter to be repaired.

It was reported that some footpaths in Carlton Scroop were becoming overgrown.

The Parish Plan was now out of date and the Parish Council intended to seek the views of residents on what they wanted and it was hoped that up to five things could be identified that the Parish Council could achieve within the following years.

The next meeting will be held on Monday 6th July 2015 starting at 7:30pm. Residents are invited to attend and prior to the start of the meeting a public forum is held where residents can give their views and comments to the Parish Council. They are entitled to stay for the meeting, but not allowed to participate.

Mid UK Planning Application

Following on from the receipt of details of various planning applications from Mid UK the Parish Council held a public meeting on the 5th May to gauge public feeling on this matter. This was used as basis for the Parish Council’s response to the applications.

Sue’s Solutions - How to clean a mouldy shower curtain

Signs of mould around the base of the curtain? Take it down and put it into the washing machine, along with your towels, on a 40 degree wash using biological detergent. When the cycle is done, hang the curtain directly from the machine. If the mould is very bad, pre-soak for a few hours in a bucket of bleach solution - half-a-cup of bleach to a bucket of water - then wash as above. "It’s easy when Sue know how"

June Sudoku Solution

*June Sudoku Solution*
Caythorpe and District Garden Society

On a beautifully sunny June evening the Garden Society were invited to visit a garden in Marston as a change from our usual venue. The large plot has been developed by the owners over the last 8 years into a picture-perfect garden with immaculate lawns and mixed borders full of beautiful and interesting plants.

Those of us who live in the cliff villages were struck by the earlier flowering of familiar plants: what a difference a little altitude can make! At this time of the year there were roses, clematis, lupins, delphiniums and various smaller perennials in full flower against a background of shrubs, with plenty of later flowering perennials to follow on. Most of the trees have been planted by the owners and have now reached a size where they make an impact. Most striking were the white-barked birches, some in the main borders and others in an island bed simply planted with several of them combined with grasses and alliums, which showed them to good effect. With a neat, productive vegetable garden, and a wilder area of unmown grass filled with wildflowers, this lovely garden had something to interest everyone.

After the visit were treated to drinks and nibbles at the nearby garden of two of our committee members, where we enjoyed more sun-lit, flower filled borders: the perfect end to a most enjoyable evening. Our sincere thanks to all our hosts.

The next meeting of the society will be the summer social in a member’s garden at which, regretfully, we cannot accommodate visitors. If you would like to become a member please contact David Fidler on 01400 272630.

CHEATS PIZZA FOR CHILDREN
(AND ADULTS!)

A quick and easy snack dish which can be as healthy and as fun as you want!

Ingredients to serve 4 children

4 Slices Bread (remove crusts if preferred) 4 tablespoons tomato puree
2 tablespoons tomato ketchup 2 tablespoons tinned sweet corn
2 slices ham - diced 1 Sliced tomato
Grated cheese

Mix together the tomato puree and ketchup
Toast the bread on one side under the grill until brown
Toast the other side but only to dry out a little and not brown
Spread the pale side with the tomato mix and then sprinkle with the sweet corn, diced ham, sliced tomato and finish with the cheese. Make sure all the ingredients reach the edges to prevent the bread from burning.
Place under the grill and cook until the cheese is melted
Serve

Other ideas:
The fillings can be varied and made more adventurous
i.e. more vegetables, pepperoni etc.
A bit of oregano can be incorporated into the tomato mix for a more classic flavour
In and Around the Garden

As spring gives way to summer the garden is full of the sound of fledglings demanding their parent’s attention. Little family groups sit in the trees and tweet, and as we have several trees and a lot of little birds it can get quite noisy. Blue tits, coal tits, long-tailed tits, gold and green finches, robins and blackbirds have all done well. We also have song thrushes around, and although I haven’t seen any youngsters, the path under the trees is crunchy with snail shells – I think the nest is in the next door garden. They seem to prefer the little banded snails to the common garden snails, which are too common by half but harder to smash. I hope the hedgehog will take care of those: I haven’t seen it, but there are quite distinctive cylindrical black droppings on the lawn.

The flower borders are changing rapidly as the early summer flowers take over. The hardy geraniums (cranesbills, not to be confused with pelargoniums which are commonly called geraniums) are the stars at the moment, giving bright splashes of colour in both sun and shade. They range from tiny rockery species that I grow in alpine troughs to large upright types in shades of pink, purple, blue and white. Two natives, the deep pink bloody cranesbill and blue meadow cranesbill, and their cultivars are good garden plants and a few years ago I collected some seed from a meadow cranesbill at the roadside. I managed to raise three plants but instead of being blue, two have pale mauve flowers and the third has exquisite double flowers also pale mauve fading to white in the centre. The Royal Horticultural Society lists 87 varieties of this one species, so natural variation must be fairly common.

I found a dead mole at the end of the garden, which appeared uninjured and was not yet smelly, so I had a chance to have a good look at it. Photographs seldom feature a mole’s rear end, so I was surprised to realise that they come with reversing sensors. The tail is plump and about an inch (2.5cm) long, and sparsely covered in stout hairs that look like the touch-sensitive vibrissae found on other mammals. In addition the fur has no pile, so moles can move just as easily backwards as forwards in their tunnels. Fortunately they haven’t ventured as far as the lawn (yet).

A Sunny Afternoon in the Open Gardens of Caythorpe

Blazing sunshine, beautiful gardens and happy villagers. On Midsummer’s Day, all were encountered on a most enjoyable wander around Caythorpe’s Open Gardens. Here are some of those which you may have missed.

Even the Scarecrows at the New Allotments were keen to be in on the act.

Suzanne, Mary, Jo, Roger and John were kept busy serving refreshments in St Vincent’s Church.
