## June 2014

Produced and Sponsored by  
St. Vincent's Church, Caythorpe,  
Parochial Church Council

Supported by the Parish Council

Editor: Roger Welby-Everard ☎ 01400 273459

Email: roger@welby-everard.com

### From Revd Alison Healy - Priest-in-Charge

Many thanks to all who came to our special celebration service on Sunday 11<sup>th</sup> May 2014 at 11.15.

It was wonderful to see the church so full and vibrant with hope and expectation. We gave grateful thanks for the vision and hard work of so many people over the years with the result that our spire now stands straight and proud and once more a beacon of hope to the community.

At our special baptism later that same day the power of the organ playing was again spoken of with awe, and many thanks to John Heald for that. Little Ayla Staff certainly had a magnificent looking church in which to celebrate her welcome into the church family and it was lovely to be with all her friends and family on such an occasion.

In the morning it has to be said that the Hand Bell ringers were truly 'celestial' in their 'chimes' and the Festival Singers standing under the words "He is Risen" made their own moving contribution. It was good to have Canon Valerie Ramp-ton with us and a special thank you to Reverend June Freshney whose sermon inspired us and set many people asking questions with renewed interest about the reasons behind why we were all gathered together. Thank you June.

Thank you also to Mrs Deborah Knowles, our new church warden; who with energy and zeal is getting down to the tasks in hand and we are both grateful to the generosity of the departing wardens, John, Judith and Jo. Not that they have gone away of course, but are putting considerable effort as usual into other duties and responsibilities – many thanks!

Also thanks to Sally Kelway, Mike Bavin and Janet Avison for their unceasing efforts.

To all of you who contributed in whatever way a heartfelt thanks.

Another Diocesan initiative is soon to fall among us at the church and on the parochial church council. Called "Mission Communities" Churches will have to grade themselves and determine in what ways they can move forwards together in discipleship and mission. All things that I am glad to say that we are doing already here in Caythorpe.

We also can announce that we have a new secretary, Jane Heald, thank you Jane for being so efficient and organised; with Richard Johnson carrying on as our Treasurer and Tower Captain and many other jobs as well! So please do feel free to get involved as we enter this next new stage in the life of St Vincent's church; with a special thanks going to Mr Liam Green in respect of that – people like you are our future Liam, it's in good hands, thank you!

### Charity Coffee Morning

The next charity Coffee Morning at Cobblers Rise will be on Friday June 13<sup>th</sup> at 10.30am. We raised £71 at the last one which has gone to the Salvation Army. We hope to support the Rainbow Children's Hospice at the next one. See you there!

**Ann Russell**

### CHURCH FLOODLIGHTING

18<sup>th</sup> May To celebrate the 40<sup>th</sup> Wedding Anniversary of **JEAN & JERRY ALLIN**

*To have the Church Floodlit for your remembrance or celebration please contact Mary Siddans 272371*

## **A letter from Bishop Christopher**

I write this shortly after it has been announced that the Queen has approved the nomination of Canon David Court as the next Bishop of Grimsby.

It's an enormous pleasure for me to be welcoming David at such an exciting time in the life of our diocese. David is currently the vicar of Cromer in Norfolk - a large seaside town in the largely rural diocese of Norwich. So he brings first-hand knowledge and experience of life in a diocese very similar to Lincoln. He brings a wealth of gifts and experience which will be a great asset to us in the work we are doing to create more faithful, confident and joyful Christians, as together we work to transform the lives of people in all of our communities.

David will be a suffragan bishop and, like all suffragans, will share the work of the diocesan bishop across the diocese in some of the traditional leadership of the church – in leading services of confirmation and ordination, for example; but as his title suggests, he will also have particular involvement with North East Lincolnshire, the most populous part of our diocese.

David will be consecrated at St Paul's Cathedral, London, on 25 July, and will be welcomed to the diocese at a special service in Lincoln Cathedral on 27 July. Please make a note of the date in your diary now and look out for more details of this coming your way.

David begins work as Bishop of Grimsby in September. Please pray for him, his wife Ann and their family as they prepare to join us.

## CARLTON-LE-MOORLAND AND DISTRICT ART GROUP

There will be a demonstration on Saturday 14<sup>th</sup> June in the Carlton-le-Moorland Village Hall commencing at 10.15am. This months visiting artist will be Dave Woodlass and he will be demonstrating the use of Pastels. The demonstration will last approximately two hours with a short break for coffee and all are welcome.

The doors open at 10.00am (Pay at the door Members £2 - Visitors £3).

For more information contact David Raines 01522 810843 or see the club web site:- [carltonle Moorlandartgroup.blogspot.com](http://carltonle Moorlandartgroup.blogspot.com)

With the increasing use of Log burning Stoves this little poem contains a great deal of good advice

Beechwood fires are bright and clear  
If the logs are kept a year.  
Chestnut's only good, they say,  
If for long 'tis laid away.  
But Ash new or Ash old  
Is fit for a queen with crown of gold.  
Birch and fir logs burn too fast  
Blaze up bright and do not last.  
It is by the Irish said  
Hawthorn bakes the sweetest bread.  
Elm wood burns like churchyard mould,  
E ' en the very flames are cold.  
But Ash green or Ash brown  
Is fit for a queen with golden crown.  
Poplar gives a bitter smoke,  
Fills your eyes and makes you choke.  
Apple wood will scent your room  
With an incense like perfume.  
Oaken logs, if dry and old.  
Keep away the winter's cold.  
But Ash wet or Ash dry  
A king shall warm his slippers by.

## **District Councillors Report.**

**Bob Sampson. 01400 273873 07766387872.**

A number of people have expressed concern about the grass cutting service, or lack of it as part of the SKDC grounds maintenance contract.

SKDC are aware that there has been a problem since it awarded the contract in March to a new organisation. Reassurances have recently been received that normal service will be resumed during the next fortnight.

To remedy the position two extra grass cutting teams have been brought in together with different types of mowers which means that crews can cope with the increased length grass as a result of the particularly wet weather conditions recently experienced. The contractor will also be working overtime including weekends, a procedure that is designed to catch up on those areas that have missed out on at least two cuts during the last six weeks. We have been assured that these measures will combine to rectify the position during June. Maps / plans of the areas and verges that are the responsibility of SKDC have been issued to the Contractor, should you have any concerns of areas of grass that were cut in the past and are being missed or are of particular concern ( especially visibility at road junction verges ) please let me know so that I can seek a speedy solution.

The SKDC clampdown on dog-fouling, fly-tipping and littering is beginning to have a marked effect throughout the District. Residents should be aware that those found littering or letting their dogs foul in a public place in South Kesteven will face a £75 fine, and those found fly-tipping can be fined up to £50,000.

Environmental Health Officers and Lincolnshire Police recently combined forces to inspect scrap metal dealers throughout South Kesteven to check licences and documentation. This action became necessary when it became apparent that a minority of traders operate unlawfully and have been linked to fly-tipping. Licenced scrap metal collectors must display a licence in vehicles they use to operate, always ask to check the licence to avoid being associated with traders operating outside the law.

On a brighter note enjoy the summer and all the events that are planned to take place in Caythorpe and neighbouring villages.

My future “open surgery” dates are:-

Saturday 28<sup>th</sup> June 2014. Caythorpe Police Beat Office, 11.30am – 2.30pm.

## **Caythorpe and District Garden Society**

Our guest speaker at the May meeting was Jo Bennison. She runs a commercial nursery in East Firsby, North of Lincoln, where she grows around 270 varieties of peony, many of which were brought from China by her father-in-law. Although this sounds a lot, it is only a fraction of the 7000- plus varieties that have been produced by hybridising the 32 species found in the wild.

As Jo told us, there are two main forms of plant: herbaceous, which dies down every autumn, and the tree peony which maintains a woody framework from which new leaves and flowers grow each year. Although the flowering period of peonies is only a few weeks long, the early shoots of herbaceous plants are often coloured red or bronze and make a good companion to the smaller spring bulbs, and after the flowers are finished both types make an attractive foliage plant.

The flowers are, of course, spectacular. There are singles and semi-doubles which have conspicuous yellow stamens in the centre, the familiar fully-double mop-headed types, and 'Japanese' forms with an outer ring of large petals and a cluster of smaller petals in the centre. Herbaceous types have flowers from 2 to 6 inches in diameter, depending on the variety, but tree peony flowers can be up to 10 inches across. Colours range from white and pale pinks though to deepest red, and also cream and yellow, with some bicolours. The new 'Itoh' varieties, bred in Japan, are hybrids of tree and herbaceous types and combine an herbaceous habit with large tree peony flowers and a longer flowering period: they are sure to be popular as they become more readily available and affordable. All these plants are fully hardy and long lived: every garden should have some.

Jo's enthusiasm and expert knowledge made for a most enjoyable talk, with lots of oohs and aahs as her excellent slides showed us her peonies in all their beauty. You can see them yourselves on <http://www.bennisonpeonies.co.uk> or at her open days in June.

Our next meeting is on June 8<sup>th</sup> at 7:30 in Carlton Scroop village hall, when Rudie Bertins will be speaking on 'Hardy Exotics' and bringing plants for sale. New members (£12) and visitors (£3) will be most welcome. Just come along or call David Fidler (01400 272630) for further information.

### **More Great Truths**

The government is like a baby's alimentary canal, with a happy appetite at one end and no responsibility at the other. -- **Ronald Reagan**

The inherent vice of capitalism is the unequal sharing of the blessings. The inherent blessing of socialism is the equal sharing of misery. -- **Winston Churchill**

The only difference between a tax man and a taxidermist is that the taxidermist leaves the skin. -- **Mark Twain**

What this country needs are more unemployed politicians -- **Edward Langley, Artist**

## **A Minor Miracle?**

I don't know if you noticed but a minor miracle occurred in the few weeks before Sunday, 11<sup>th</sup> May at the north end of the village. The scaffolding came down, the repaired spire was there for all to see with Peter shining at its peak and the clock faces were revealed in all their splendour. Brass inside the church began to shine, pews were polished, glorious flower arrangements and photographic displays appeared. The floors were washed and swept and on Friday and Saturday before the 11<sup>th</sup> the hut, fencing, bags of gravel et al. disappeared. The first phase of repairs to St. Vincent's church had been completed.

Our priest-in-charge, Revd Alison Healy, led the service of celebration assisted by Revd June Freshney and Revd Val Rampton. The church bells rang out before the service, the St. Vincent's Handbell Ringers performed two pieces, the Loveden Festival Singers sang and there was excellent organ music. Our MP, Stephen Phillips, Peter Moralee from the Waste Recycling Environmental Ltd which gave a grant of £50,000, Bob Sampson, our District Councillor and Bruce Nelson, the chair of Caythorpe and Frieston Parish Council, were all there to mark the occasion. There was a real atmosphere of celebration.

So many people have helped to make these repairs possible and the service such a success. A big thank you goes to all.

**Sally Kelway**, Chair of the Appeal Committee

## **WI News**

On Thursday 8th May, the ladies of Caythorpe and District WI met in the Village Hall. First on the agenda was the 2014 WI Resolution, this year it was asking the ladies of the WI to talk to their families and friends, giving them their thoughts and wishes about organ donation. In 2015, Wales will be having an opt in/opt out system of organ donation. We heard that it is an important subject which needs to be addressed.

Caroline Rossin from the Rainbow Foundation (a children's hospice) then gave a talk on the foundations ethos of looking after children and their families. Caroline then talked us through the many facilities available, including a Hi Tech Sensory Room, it was all very informative. Teddies and raffle goods were donated on the night to the Rainbow Foundation.

The raffle was won by Sandra Snell, the result of the flower competition is: 1st. Ann Ashcroft 2nd. Angela Turner 3rd. Marylyn Mason.

We next meet at 7:30pm on Thursday 12th June at the Village Hall. Please come along ladies, you will be most welcome.

## Parish Council News.....June 2014.

**Annual Parish Meeting** .....The meeting which was attended by only three residents was held on Wednesday May 14<sup>th</sup>, if you would like a copy of the report that was presented please contact the Parish Clerk.

The meeting thanked in particular the hard work that is undertaken on your behalf by County Cllr Paul Wood and District Cllr Bob Sampson who work very closely with us and with whom we have excellent working relationships.

**Parish Council meeting** .....The following is a précis of the most significant issues that were discussed at the meeting also held on the above date:

**Committees of the council**.....Members were appointed to the Planning and the Finance Committees both of whom perform the task of looking in depth into their respective areas of responsibility.

**Grants**.....A grant of £3000 was made to the Village Hall Committee following receipt of their audited annual accounts which had been approved at their recent AGM. The committee were congratulated on the excellent way in which the Village Hall is being run and maintained.

It is anticipated that a similar grant will be made to the Playing Fields Committee following their AGM.

**Allotments**.....It is very much hoped that we will be able to have some positive news within the next month or so.

**Crime in the community**.....There have been a number of instances of malicious damage being done to both the pavilion and to the cricket covers. Because of the nature of the playing field area it is impossible to restrict access at any time during the day and or night. If you do see any such incidents a call to Lincolnshire Police would be greatly appreciated as we are aware that they currently have concerns with regard to a number of playing fields in the area.

**Budget for 2014/15**.....The budget for the year, which was agreed some months ago, clearly shows both our sources of income and the areas where we intend to spend your money. If you would like a copy please do not hesitate to contact any of the above Councillors and or the Parish Clerk.

**Bruce Nelson.....Chairman**
