### **Letter from The Rev'd Alison Healy, The Rectory, Leadenham, LN5 0PX.**

I greet you this month as the country recovers from dramatic if not apocalyptic times! January being the wettest since records began in 1700 and something apparently – it's official. Our hearts go out to the people who have lost everything and the long slow haul ahead to rebuild after such a deluge and destruction. Despite all the clamour over official inaction and cuts it has been heartening to see how individuals have responded to help others. Mobilising support and supplies and tirelessly drawing their communities together to get through this difficult time. Isolated individuals have spoken emotionally about how their lives have been transformed by such generosity from sometimes perfect strangers at a point when they were in despair.

I would like to think that this is something like how our various communities might behave in similar circumstances. All pulling together to help others at a time of need. It is certainly what our readings in church for this period of time seem to be telling us to do, as we approach Lent. During the first Sunday in March the Gospel tells us of Jesus being transfigured before three of his disciples. His clothes become dazzling and God speaks to reassure us all of His love for His Son. (Matthew 17.1-9) As we move into Lent itself we can hear of Jesus' temptation in the wilderness (Matthew 4.1-11) and how he spread his message of love to everybody. From the great leaders of the Jews, like the Pharisee Nicodemus who visited Jesus in secret so keen was he to understand what he really meant. (John 3.1-17) Jesus reassures him that God sent His Son not to judge people but to save them through love. So Nicodemus did not need to worry what his fellow leaders might have thought of him fraternising with a rebel! Then Jesus has an encounter with a Samaritan woman at a well. (John 4.5-42) It was the heat of the day and Jesus asks her for a drink of water. There then follows a fascinating talk as the woman is astonished that Jesus, a Jew would lower himself to talk to her. (Women did not usually go to the well at mid-day, so it was possible that this woman was 'no better than she should have been' as my Great Auntie Maud used to say – and she was a despised Samaritan!) It ends with the woman running to tell everyone who cared to listen, that Jesus, "He told me everything I have ever done!" He knew all about her and her shame and yet still he wanted to offer her the water of life.

March ends with our Mothering Sunday Services where we hear of Jesus' love and care for His mother even as he was dying on the cross. (John 19.25-27)

Hopefully this can help us as we approach Lent in preparation for Easter. It is not simply giving things up but also about taking up the cross and marching forward with others to rejoice in our transformed lives and in theirs!

Sadly, there are still many funerals and love and prayers are with you all who mourn. There are also many Blessings and Baptisms and Thanksgivings and Renewal of Vows. Thank you to all these families and we hold you in our hearts and give thanks for lives well lived at whatever step along the way that you are at.

As if to emphasise this time of transformation March and April will bring about many Annual Parochial Church Council Meetings and special thanks and prayers are asked for all those who volunteer their time and energies in helping to run our parishes.

Kindness is such a small thing really but makes such a difference and I pray that one day our society will be transformed just as Jesus' robes were transformed and that we will all rejoice in the eternal truth that God is Love and all who live in Him live in Love!

## Letter from Bishop Christopher

Dear Friends,

Ash Wednesday marks the beginning of the season of Lent, traditionally seen as a time for prayer and penance in the church; a time for drawing aside and reflecting on our Lord's journey to the Cross and our own journey as Christian people.

As we seek to move forward together as a faithful, confident and joyful diocese, Lent provides an ideal opportunity for us to clear away some of the clutter that can get in the way of that making those things a reality in our own lives. Lent gives us a structured framework in which to stop, to pray, and to reflect on the things that stand between us and God; between us and each other; between us and the best of who each of us is.

That is not always an easy thing to do. It can take us to uncomfortable places as we uncover things about ourselves that we would rather remained hidden, or are reminded of the broken-ness and cruelty that mar God's world.

On Ash Wednesday many of our churches will hold services which include the imposition of ashes. If you have the opportunity to attend one of these services, I encourage you to do so. The ash is also a symbol of what is left when everything else has gone and things are laid bare. Their imposition on our foreheads is a powerful reminder of our own vulnerability and of the ways in which we fall short of all that God intends for us.

But Ash Wednesday is only the beginning of the Lenten journey. Jesus' journey to the Cross will be transformed into the Easter joy of the resurrection – a transformation which shows the world that God's power is made perfect in weakness.

That possibility of transformation is the basis of our hope as disciples of Christ. It is the light that shines even when all seems darkest in our own lives and in the life of the world. We need not fear: the God who endured the pain of death on the cross is the same God whose love and forgiveness are freely offered by God to each one of us.

We are not alone; the light shines in the darkness.

*Bishop Christopher*

Christ has penetrated into the depths of darkness,  
loneliness, rejection, agony and fear,  
in order to touch the depths of darkness  
in each one of us  
and to call us to belief,  
to call us to walk in this world of darkness,  
loneliness, rejection, agony and fear -  
hoping, trusting in the resurrection . . .

So do not turn aside from your own pain,  
your anguish and brokenness,  
your loneliness and emptiness,  
by pretending you are strong.  
Go within yourself.

Go down the ladder of your own being  
until you discover -  
like a seed  
buried in the broken, ploughed earth  
of your own vulnerability -  
the presence of Jesus,  
the light shining in the darkness.

And there, offer yourself with Jesus  
to the Father  
for the life of the world.

*Jean Vanier*

### **Cursillo**

#### **What is Cursillo?**

Cursillo (pronounced 'kur see-yo') is a movement of the Church providing a method by which Christians are empowered to grow through prayer, study and action, and enabled to share God's love with everyone.

#### **What our former Bishop, Bishop John, said about Cursillo.**

"Cursillo is to Christian discipleship what weight-watchers is to health and well being! It creates an environment in which who we are can be celebrated, and we can be helped to become the people God would have us be. The support of others who have made the journey before us is at the heart of the Cursillo experience, and it is always encouraging to see lives changed in such a positive way. Cursillo is now well-established as a uniquely valuable way for Clergy and Lay people to refresh their relationship with God by means which are as enjoyable as they are enriching."

#### **What is a Cursillo Weekend?**

It is a long weekend, either Thursday evening to the following Sunday afternoon, or if a Bank holiday weekend, Friday evening to the following Monday afternoon, usually held at The Old Palace. During these three days, those attending live and work together, listening to a series of talks given by different people, both lay and ordained. The talks lead to lively discussion in small groups. Learning, praying, sharing, singing, laughing and living together is the basis for discovering what it means to say, "We are the body of Christ."

#### **What is expected of me?**

There is no specific response expected of you. Just be open to what happens! 'Let go. Let God'

## CAYTHORPE DASH 9<sup>TH</sup> FEBRUARY 2014 HALF MARATHON

The day started overcast, wet & windy but then it turned not to be a bad day, the rain stopped, on occasion some sunshine but we had to contend with the wind, which helped on the way back in.

19 teams (made up of 2men & 2 women) took part along with 74 individuals so a nice number.

The course due to the wind Saturday & today was fairly dry with puddles in some parts along with the mud, so everyone came home looking forward to a hot shower and food. There were no mishaps or accidents and everybody completed the course.

### Result Team – 2 Men + 2 Women:

Winners	Louth AC	Total time 07:29:24
Debbie Simpson, Kevin Houghton, Michael Dean & Kerry Stainton		
Second	Zommorphics	Tattershall, Lincoln

## **Caythorpe & Fulbeck Junior Football Club – 2013/14 update**

The Junior Football Club has enjoyed another successful season, now entering its final two months. We have eight teams - U7s through to U11s, two at U14 level and an U16 side. Our older boys' teams have all held their own this season and the U14s Sunday team has a great chance to win the League title with a handful of games still to play. Our U11s are playing their first season with 9-a-side rules and play at the Club's third venue at Welbourn. Both they and the U10s had a tough start to the season having each been promoted; both have now found their feet and continue to play good football. The Under 9s amalgamated into one team having previously been two squads and are taking all before them in their dominant season. Our two most junior teams, the U8s and U7s have each made significant progress this season as they develop their skills and play with a great attitude. It's great to see the enthusiasm and participation of parents as well as players in the junior sides.

In total, we have just over 100 boys and girls turning out for the Club and enjoying their football. Next season our aim is to run an U17 team for the first time as well as to establish the next U7s squad. The long term ambition is to have a team running at every age group from 7 through to 18 – no mean feat for a small village club. Our biggest current challenge is to re-establish a girls' team. The Club remains financially sound and we are presently working on our development plan for the next five years. This will include offering the chance for adults and teenagers to get involved in coaching and other opportunities, so please get in touch if this would interest you. As always, we seek volunteers to help run the Club. In particular, our long-serving treasurer is stepping aside at the end of this season, so offers of help in this regard will be gladly welcome!

Finally, a few upcoming events to make a note of:

- Easter Holidays – a football fun and coaching day at the Club for children under the age of 11 – exact date TBC shortly but likely to be in w/c 14<sup>th</sup> April
- Mini Soccer 2014 – Saturday morning football taster sessions for 4-7 year olds will start on 3<sup>rd</sup> May and run for 10 weeks
- Presentation Day – Saturday 7<sup>th</sup> June – all are welcome to come along and join in the fun; each team also has their end of season review and awards ceremony.

## District Councillors Report

Bob Sampson

The end of last year and the beginning of this year proved very hectic as Ann and I relocated to our new home back in Fulbeck, we are happily settled in and gradually getting to grips with the delights of the garden as spring approaches.

Classically, news became available just before Christmas of the proposed future use of Fulbeck Airfield with the intention to install thirteen wind turbines on the site. Annoyed but not deterred initial local community meetings were organised leading onto the formation of a new campaign group calling itself VETO – Vote for Energy Turbine Opposition – [www.vetocampaign.co.uk](http://www.vetocampaign.co.uk) to become further informed look out for details of future meetings and exhibitions currently taking place throughout the Cliff Edge and Lowfields communities by Energiekontor UK Ltd the developer and VETO.

There remain continuing concerns on several fronts relating to the present uses taking place on the former Fulbeck Airfield site. The storage of straw bales, sugar beet, and waste sewerage sludge together with the increased associated heavy haulage vehicle movements are causing distress and danger to those living nearby including the occupants of Stragglethorpe in North Kesteven. Representations have been made to each District Council and the County Council, Planning, Environment, and Highways to address this escalating situation.

Elsewhere within Heath Ward many events continue to successfully take place raising support for associated good causes and the village infrastructures. Clubs and societies continue to meet and provide a good forum for friendship and special activities. The monthly Caythorpe Sunday morning village hall breakfast attracts increased popularity and numbers as does the Red Lion monthly supper quiz nights. Fortunately despite the atrocious weather throughout the last couple of months there has been little physical damage or flooding, we are very lucky not to have suffered any hardship unlike many parts of the UK.

Special mention should be made of the very successful campaign to provide the three new defibrillators now installed in Frieston and Caythorpe and the recently organised “Awareness Evening”. Such a positive effort by all the fundraisers and the whole community will be of benefit and comfort to all, knowing that in the event of an emergency there is nearby equipment that could help save a life. Congratulations and thanks go to all those concerned who have played a part in this initiative. Co-incidentally SKDC have just completed installing defibrillators in all its main town Council office buildings and their depot, each of which can be accessed by the public, an initiative that I was personally involved in helping to bring about.

My future “open surgery” dates are:-

Saturday 22<sup>nd</sup> March 2014 Caythorpe Police Beat Office 11.30am-2.30pm.

Saturday 10<sup>th</sup> May 2014 Fulbeck Village Hall 11.30am-2.30pm.

## **CAYTHORPE & FRIESTON COMMUNITY HEARTBEAT PROJECT**

About 100 residents attended the 'Awareness Evening' to hear about and learn how to access and use the Defibrillators should a Cardiac emergency arise. Martin Fagan of the Community Heartbeat Trust explained the logistics of the scheme followed by a CPR talk and demonstration from L.I.V.E.S. HQ personnel and local First Responders ably assisted by some local residents.

A Q&A session concluded the meeting, after which refreshments were served and attendees were able to have an informal chat with the speakers. Donations given on the evening totalled £105-85, which will go towards the cost of obtaining a fourth Defibrillator. If you were unable to attend the meeting and would like further information please contact Bob Greybrook on 01400 272611

### **St. Vincent's Roof and Spire work**

The major works on the spire, tower and south transept are now nearly finished. As the scaffolding comes down in March (and it no longer looks like a Chinese pagoda) do look at the re-pointed spire. You will see two bands of new stone. This is where the metal ring supports that were damaging the adjacent stonework have been removed. The support is now inside the spire. The work is due to finish at the beginning of April.

We have many trusts and funders to thank for making this work possible: English Heritage, Waste Recycling Environmental Ltd (WREN), Garfield Weston, The Theaker and Godson Funds, PK Karting, The Trusthouse Foundation, Caythorpe and Frieston Parish Council, RAF Cranwell and the many, many people in the villages around who gave donations, have held or supported the fund raising activities. THANK YOU. We will have a service to celebrate this completion of the work on Sunday May 11<sup>th</sup> at 11.15am, details will be in next month's Caythorpe News.

The PCC took the opportunity whilst the scaffolding was there to replace worn parts in the clock and to re-paint and re-gild the clock faces. The Parish Council kindly gave a grant to help with the substantial cost of this work.

As you know from previous articles we have not been able to re-roof the nave yet but are working towards doing this work as soon as we are able.

### **CORRECTION**

**"An apple a day helps the village defibrillator fund on its way"**

Apologies for the error in last month's edition - The amount raised for the Defibrillator was £85.

## **Caythorpe & District WI – February**

Janet Hoddell was re-elected president of the Institute for a further year at the AGM. She thanked her committee for all their help during the past year and urged the membership to encourage some younger women to join our ranks to inject some fresh ideas and energy.

Secretary Angela Turner gave the annual report recalling many of the events of the year including the harvest supper at Fulbeck Village Hall and the highly successful summer outing to Skipton. Despite still recovering from serious illness treasurer Pauline Dorey bravely turned out to present her financial report for the year. Richard Johnson was re-appointed auditor.

Joint winners of the award for competitions held during 2013 were Eileen Driver and Pauline Dorey. Ann Ashcroft was second and Robbie Squires 3<sup>rd</sup>. Marylyn Mason won the 2013 Flower of the month competition with Daphne Page 2<sup>nd</sup> and Mavis Coxon 3<sup>rd</sup>. The raffle was won by Mavis Coxon.

During the February meeting the president and secretary outlined the route the WI's Centenary baton will take from the birthplace of the WI in Anglesey to the Royal Albert Hall in London in time for the Annual General meeting in 2015.

Each Institute in the country will take part, carrying the baton from one village to the next by an unusual or innovative means of transport. Caythorpe will be receiving the baton from Cranwell WI on June 6<sup>th</sup> - D Day - and moving it on to Wilsford. So if anyone has any novel ideas for transporting it please let us know!

At the March meeting Peter Welbourn from Navenby will be telling us about life as a village baker. The competition will be 'an antique kitchen utensil'.

We meet every second Thursday in the month in Caythorpe Village Hall at 7.30pm. If you are new to the district it is a great way to quickly become part of the community and make new friends. The committee has already worked out a great programme of events and visits for 2014. Visitors, guests and potential new members are most welcome to join us for any meeting.

## **CARLTON-LE-MOORLAND AND DISTRICT ART GROUP**

There will be a demonstration in Carlton-le-Moorland Village Hall on Saturday 15th March commencing at 10.15am. Anne Barnham, who's chosen medium is watercolour, is the visiting artist and her demonstration will last approximately two hours with a short break for coffee. The doors open at 10.00am and all are welcome (Pay at the door Members £2 - visitors £3).

For more information contact David Raines 01522 810843

## **Caythorpe and District Garden Society**

The March meeting of the society will be held in Carlton Scroop Village Hall on Tues Mar 11 at 7:30pm. The speaker will be George Buchanan, who with his wife Catherine, took over the running of Hodssock Priory from his parents in 2006. His talk is entitled 'Growing up at Hodssock Priory'.

New members (£12 for the year) and visitors (£3, including refreshments) are most welcome. Just come along to the meeting or contact David Fidler on 01400 272630 for further information.

## Parish Council News.....March 2014.

**Roads within the Parish.....**An on site meeting was recently held between members of Lincolnshire Highways team with your Parish Clerk and four members of the Parish Council. A detailed list of issues ranging from the day to day repairs of pot holes as well as consideration of projects of a capital funding nature were discussed with all sites in question being visited and inspected during the course of the meeting. It was a very worth while exercise as it demonstrated to the Highways team the level of concern that your Parish Council has with regard to the condition of all roads within the Parish whilst at the same time we were able to obtain a clearer understanding of how and when issues are to be dealt with. Such meetings will be held going forwards, probably on an annual basis.

**Volunteering .....**It was very disappointing to note that a request made in last months edition of Caythorpe News for residents to help with the Caythorpe Dash that was held on Sunday 9<sup>th</sup> February gave rise to no new volunteers coming forward to assist those whose help and assistance can always be counted on. We do have a thriving community within the Parish with a wide and varied range of events BUT our ability to deliver these is totally dependent on a small and very hard working group of people. If we are to seek to maintain the level of activities that are provided we must have a far greater degree of involvement other wise given time such facilities as the Village Hall and Playing Fields plus of course many other clubs and organisations will simply cease to function.

**Allotments.....**We are still waiting on the outcome of our grant application and are unable to exert any pressure in the hope of obtaining a decision as by doing so we may well jeopardise our case.

**Crime in the Parish.....**Whilst the incidence of crime has been low for the past few months two recent incidents on the same evening only high light the fact that we must be ever vigilant if we are to try to combat this nuisance. It will not go away unfortunately.

**Forthcoming meeting .....**The next meeting of your Parish Council will be held on Wednesday 12th March in the Village Hall at 7.15pm at which time residents are able to comment on and draw matters to the attention of the meeting and then to attend but not participate in the main part of the meeting which commences at 7.30pm.
