Heritage Lottery Fund awards £189,700 to St Vincent’s Church in Caythorpe for urgent repairs

Today St. Vincent’s Church in Caythorpe, Lincolnshire has received £189,700 from the Heritage Lottery Fund (HLF) to undertake vital repair work. The money has been awarded through the HLF’s Grants for Places of Worship programme.

The grant will enable a programme of urgent repairs works to the nave roof, porch, monuments and stained glass windows as well as improving access and facilities within this beautiful Grade I listed church so that the church is fit for the 21st century and can be used by the whole community.

The grant will fund new historical projects. The Sir William Robertson Academy, Welbourn students in Year 9 will be researching the World War II Operation Market Garden and its connections to Caythorpe village and St. Vincent’s Church.

An exhibition of their findings will be displayed in the church in 2016. In addition, a children’s trail, new church guide book, Caythorpe War Memorial booklet and a web site are also being developed. All these projects will help visitors enjoy more fully the church, Caythorpe village and its rich history and its links with the 216 Parachute Signals Squadron.

Janet Avison, Vice Chair of the Parochial Church Council said: “This is a marvellous result and we are thrilled that the work can begin this Autumn. The projects will throw new light on the history of the village and church.

St. Vincent’s Church is over 700 years old and it is wonderful to know that we are now able to preserve it for another century and that it will have modern facilities to allow greater use”.

From Sonia Barron
Rural Dean of Loveden

We recently advertised for two priests in our deanery – East Loveden and South Cliff groups and a day of prayer was organised to encourage people to pray for the right priests to apply.

It got me thinking about the importance of prayer – both corporate and personal prayer.

The Bible tells us a lot about prayer – the power of prayer as Jesus healed those who were suffering in different ways; the condition of prayer one of which is coming in humility before God, not simply making demands on God, listing what we’d like Him to do for us; the place of prayer which can be anywhere we find ourselves. And of course there are different kinds of prayer – praise, thanksgiving, and intercession.

Jonathan Edwards said, “Prayer is as natural an expression of faith as breathing is of life.”

There is much to pray for in the deanery and we can all pray, however simply, and here is one written by David Adam that we can say for each other:

**Circle me, Lord.**
Keep protection near And danger afar.

**Circle me, Lord.**
Keep hope within.
Keep doubt without.

**Circle me, Lord.**
Keep light near And darkness afar.

**Circle me, Lord.**
Keep peace within.
Keep evil out.

New Prayer Group at St Vincent’s Church

A Prayer Group is to start at St Vincent’s Church, Caythorpe on the 2nd and 4th Monday’s.

Coffee/Tea will be available from 2.30pm and Prayer will start at 3pm.

It is hoped to finish at 4pm.

There will be a box in the Church for Prayers requests to be dropped into.

Balancing on two inches!

Two years ago the Spire of St. Vincent’s Church, Caythorpe was found to be balancing on two inches of stonework rather than six inches. This meant that funds raised for the re-roofing of the Nave and re-pointing of the Spire had to be used on the Spire and other high level stonework. Do see the new stone bands.

Understanding our problem the National Churches Trust promised in June 2013 a grant of £40,000 to help towards the Nave roof. This grant has just been renewed and is a huge help, as matched funding, for our Heritage Lottery Fund application for re-roofing the Nave roof, south porch, and making a disabled access and a toilet. We are extremely grateful to the National Churches Trust for its generous help.

Come and support the National Churches Trust on Saturday 12th September for the Bike Ride and Stride day. You only have to ride or walk a mile or two to save a Lincolnshire church from going to rack and ruin! Please contact John Scott on 272974 for a sponsorship form.

News from the Lion

First of all I would like to thank the Editor for giving me the opportunity to write a few words in this month’s edition of News and Views.

What a great village we have! I can honestly say Caythorpe is one of the friendliest places I have ever lived in. There is a real community spirit and it is a real pleasure for me to run my business in such a welcoming environment. Especially at the moment when I am receiving offers of excellent produce from the newly established allotments. I am more than happy to offer food/drink vouchers in exchange for quality fruit & vegetables that Mark and his team can make use of.

Fish and Chips ..... I would like to thank all those that have supported our Tuesday fish and chip night. It is proving to be a great success with lots of you choosing to eat with us rather than taking food away. I’m glad we’ve been able to partially fill the gap left by the closure of the chip shop “The Frying Dutchman” as I liked to call it.

Rugby World Cup ..... There are a number of new things happening at the Lion over the next month or so. Hopefully you have seen my advertisement about the Rugby World Cup; I do look forward to welcoming lots of you to help cheer our lads on to a stunning victory (one can but hope).

New Specials Menu ..... Also in September we will be launching a new specials menu, to provide a little more variety and to offer a choice of seasonally available produce, particularly during the forthcoming season. In addition we will be starting a lunchtime special menu, offering a main course and pudding for £9.95.

Christmas ..... Of course Christmas will be upon us before we know it. So, if you are thinking of a family get-together, or village society function or a company party, we are more than happy to accommodate you. I still have a small numbers of tables free for Christmas Day Lunch (£64.95), but these are going fast, so make sure you get yours before it’s too late.

Finally I would like to thank all my customers for your continued support. Whether you come for a three course meal with lashings of wine, or a few beers and a packet of crisps on a Friday night, I really do appreciate your custom. I look forward to welcoming all customers both old & new in the years to come.

GREAT Garage Sales
Sir - We would like to thank all those that were involved in the Great Garage Sales, We hope it was successful for you; I think we went to about 17 garage sales. We met lots of people we hadn’t seen in years so it was quite a special day. The sales were really good and the sellers must have put so much work into it. I did buy a Golf trolley and Maureen bought some bits and bobs. Very well done to you all. It was also nice to see so many people out walking around the village.
GREAT !!!! Thank you all.

Rogue Traders
Sir - BBC Rogue Traders have been informed about and may be investigating a tradesman living locally who has:
1. Done sub-standard work for a number of people from Caythorpe.
2. Abandoned work in an unfinished state.
3. And/or taken money from them as deposits for work but failed to deliver anything under contracts.

In some cases judgement has been obtained against him and enforcement action is pending, but for the purposes of the investigation it would be useful for everyone affected to coordinate action.

It would not be appropriate to name the individual here at this stage, but anyone reading this who thinks they may be a victim is requested to send brief details to the Editor of News and Views so that these can be passed on to Rogue Traders as part of the investigation.

Three Out of Pocket Residents Caythorpe

Oooh Aaah—No O’s
Sir - Some people get very agitated about misplaced or missing apostrophes.
This road sign, which many of us pass frequently, seems to have a totally superfluous one.
Perhaps they ran out of O’s?

Pussy cat, Pussy cat
Oh Happy Day!! Thank you so much for putting my letter in the News and Views.
I had a very tearful call early this morning from a lady in Carlton Scroop - Mickey the cat has been reunited with his owner Suzie at last in Newark Lane, Carlton Scroop
Thanks so much to all of you for trying to find the owner and particularly to Sue and
Jayne for feeding him while we were on holiday for two weeks! This cat was quite a way away from his home and he has been missing for over a year - so the owner was flabbergasted that he was still alive and was very emotional. He apparently has a brother and sister at home too.

This has really made my week.

Best wishes

Congestion in Caythorpe

Sir - Following the publication of my letter in the August Edition of News and Views about High Street parking in Caythorpe, a number of residents of Templeway Close, Templeway Square and Eastcliffe Square have spoken to me about the sheer number of parked vehicles in their areas causing problems with parking and access.

The facts are that the houses were all built when the majority of residents did not own vehicles using the bus, train and cycles to travel. Unfortunately the planners at that time did not look to the future when the ability to own a car would become available to many and, as a consequence, built the area with small compact streets leaving no room for a lot of parked vehicles. The 2015 reality of this is difficulty in access for emergency vehicles, the bin lorries and residents parking.

Improvement suggestions by residents include the demolition of the unused garages in Eastcliffe Square and the removal of a very high kerb at the end of Templeway Close to enable vehicles to turn around in a congested part of the street. Other suggestions included the removal of the tree and large grass verge outside numbers 11 and 12 Templeway Square and the provision of individual parking areas in the front gardens of Council tenants, who request one, along with a dropped kerb.

These ideas may help to provide more access and parking in these areas.

The way forward, I believe, is for residents to express their opinion in the Parish Plan Questionnaire soon to be circulated. In addition, they should raise their opinions with the village Parish Councillors.

The matter will be discussed on September 9th at the next meeting. Bob Sampson, SKDC District councillor, is aware of the concerns and will be in attendance at this meeting. The presence of residents, of course, is welcome.

I would point out that several years ago the Parish Council asked Lincolnshire County Council for a footpath from the village along Station Road and Caythorpe Heath Lane to Caythorpe Court. It took about eight years from the request to its completion.

So, if residents feel strongly that parking provision needs improving, we must come to a decision and make our requests to get the projects moving.

Upcoming professional theatre and music productions!

We are delighted to announce that we have secured three professional theatre and music performances for the Autumn and Winter, supported by the Lincolnshire Rural Community Touring Program.

We start our season on Sunday 25\textsuperscript{th} October at 2.00pm with \textit{Arabian Nights}, a family show full of adventure, magic and wonder for 5\textsuperscript{years+}. \textit{What’s on Stage} called it “A very special and rare piece of children’s theatre”. This production was a Children’s Choice Award winner at the Edinburgh Festival.

Then on Saturday 5\textsuperscript{th} December we present \textit{The Churchfitters}, a folk group like no other, present their \textit{Christmas Cracker}, an evening of foot stomping favourites interlaced with traditional festive songs. “They received a standing ovation from the festival” was the praise from Dave Pegg of \textit{Fairport Convention}.

On Saturday 30\textsuperscript{th} January \textit{Tangram Theatre} presents \textit{Origin of the Species}. Those of you who were lucky enough to see \textit{Albert Einstein} at Carlton Scroop last year, will be pleased to know that this is by the same theatre group and the same main actor – excerpts seen already suggest this will be even better than the Einstein lecture!

Do please make a note of these dates in your diary. Further details will be available closer to the time. If you want to book your advance tickets please call 01400 250513, contact any committee member or email csandnvillagehall@outlook.com or watch out for further announcements in \textit{News and Views}.

In and Around the Garden

On a recent trip in the car, I realised how much more interesting the roadside verges look now that mowing is kept to a minimum. The colours of summer seem more varied than earlier in the year: purple shades from knapweed and scabious, pink from willow herbs and small convolvulus, while yellow hawkbit and white yarrow mingle with the brown skeletons of cow parsley and creamy grass seed heads. It certainly makes being stuck in traffic less tedious.

In my garden it seems to be a good year for bees: the plants with small flowers on a spike, such as lavender, woolly lambs ears, sea holly and marjoram, are buzzing. It is hard to count the different species of bumble bee, as the workers fade with age and I’m never sure if I am seeing one species or two. Nevertheless, I reckon there are around half a dozen, plus honey bees and a sneaky hoverfly that mimics a bee until it lands and gives itself a way by holding its wings out to the side instead of over its back.

Conversely, I have not seen as many butterflies as usual (apart from small whites that never seem to have a bad year) and my recording for The Big Butterfly Count was well down on last year. I wonder if this is related to the breeding success of the birds – have they eaten all the caterpillars?

Goldfinches have always been occasional visitors to the garden but this summer they have had a particularly good season and we have often seen 6-8 or more on the feeders at once in recent weeks. The adults have conspicuous red ‘masks’ that are absent in the juveniles, so we think there are at least 2 families, having seen 4 adults at the same time accompanied by young ones. The blackbirds have had a prolonged breeding season, with newly fledged youngsters around as late as mid August, following Dad and crying to be fed. These blackbirds need to be on their guard, as I saw the sparrow hawk visiting the pond for a drink. He couldn’t reach the water from the edge as the water level was low from lack of rain, so he stepped onto the submerged edge of a plant pot. He got rather wet, but had a good drink and managed to take off without getting stuck. I was very relieved: having seen his talons, I certainly did not want to have to rescue him!

Caythorpe Thursday Craft Club

The newly formed craft club meets twice a month; although only a small group so far we have had some enjoyable meetings.

Members have participated in decoupage, felting, jewellery making, quilting, table mats and decorating boxes using decopatch.

We try to have a demonstration and then have a go at each meeting and then if members want to follow it up we do it again at the next meeting. Some projects do take longer. We have some lovely projects in the pipeline.

Why not come along to see what we have to offer. Our next meeting is Thursday 10th September between 2.00pm and 4.00pm in Caythorpe Village Hall. £2 per meeting. For further information, please contact Angela Turner 01476 401459

Successful Opening for New Hair and Beauty Salon

Many new and old clientele came into Inspire Hair and Beauty’s new Caythorpe salon when it opened in August.

Owner Joanne George praised her staff and the really successful opening they had achieved.

Jo said, “It was quite hectic in the days before the opening day but we are now firmly establishing ourselves in Caythorpe. Our team of professionals take pride in delivering the best quality of Service. We look forward to welcoming more clients in the coming weeks.”

Inspire have launched a Welcome Pack encouraging clients to recommend a friend with 10% off their bill together with a £5 gift voucher redeemable against further treatments.

Blue Skies for the Third Caythorpe 10k Run

The weather forecast was for overcast with the odd shower but then it became sunny and hot with blue skies. Not ideal for the runners but the marshals enjoyed it.

Cllr. Bob Sampson sent the 118 runners off promptly at 11.00am on 9th August up Old Lincoln Road for the Third Caythorpe 10k run.

The route took them across the A607, up Love Lane along the farm track and through PGL complex to the road. The runners then turned left at South Heath Lane cross roads, which took them down back to A607 and up past the Hare & Hounds into Fulbeck High Street. They climbed Sudthorpe Hill, ran through the Jitty, across the field, over the little bridge and turned left. They ran along the edge of field (not much room to overtake here) and out to the main farm track alongside Caythorpe Hall pastures. Keeping on this track they turned left to the New Allotments (great job they have done here) and out onto Gorse Hill. Then it was homewards along Gorse Hill Lane and Chapel Lane; a left turn into the High Street, then right Church Lane and right again to Old Lincoln Road and the finish and to be welcomed by Bob.

There were no mishaps or accidents and everybody completed the course looking forward to a hot shower and food. Everyone who finished was given a medal.

Winner    Andy Dunderdale  Lincs Police AA  00:36:23
Second    Ivan Oxborough  Bracebridge Heath  00:37:23
Third     Lewis Hopkinson  Fernwood RC  00:39:41

Women’s Result:
Winner    Ada Whitten  Sleaford  00:50:05
Second    Polly Atherton  Sleaford  00:50:50
Third     Janet Harmston  Skegness Coasters  00:52:43

Our grateful thanks are due to the many people who made the day such a success. A great job done by the PGL time keepers, and to Deanna Hammond and the ladies in the kitchen for the excellent BBQ. John Scott & John Bowers looked after the car parking, and Julie, Jean, Sue & James took responsibility for registration and data input. Peter Rushmere stood in on the day, making sure everything went smoothly and, of course our thanks go to the hordes of marshals out on the course sweltering under the heat (and getting a sun tan).

Sumptuous Banquet at the WI

Caythorpe and District WI Ladies enjoyed their annual summer gathering in the wonderful setting of Cobblers Rise courtesy of Ann Russell. Everyone brought something to contribute towards a shared buffet, which was more like a banquet than afternoon tea!

The afternoon swung into action with freshly made Pimms, followed by a wonderful range of home-made savouries and desserts. We all thoroughly enjoyed a chance to sit back, relax and enjoy each other's company. A big thank you to Ann for hosting the venue and for arranging dry weather. We are very grateful!

Please note the venue for our Harvest Supper on 10th September will now be Caythorpe Village Hall starting at 7.30pm.
New members are always welcome, come and join us!

WHERE ROWANS INTERTWINE

by Margaret Grant

Twenty-two years ago I began writing the novel I always wanted to read. It needed to be historical, magical, spiritually nourishing and of course have an edgy romance. It would have to answer unsettling questions about the history of the beautiful mountain where we lived on Anglesey.

Severely disabled, I grasped the opportunity life offered. Whilst bedridden I researched; whilst convalescing I wrote in short bursts, kneeling on a stool before the computer. In twelve years it was done! The task of getting published took another ten.

Agents and publishers made encouraging noises, but nothing materialised. Then I discovered self-publishing. It was a long, painful process, but with the right support it is at last published in both paperback and on Kindle. I’m coming up for air!

Happy stallholders awaiting in anticipation their first customers at the Village Hall Fundraiser on Sunday 16th August

Seventeen garages/driveways were open to sell a variety of items their owners no longer required. Well over 100 people paid £1 to obtain a map and addresses of all the locations. There were also stalls in the Village Hall, where afternoon tea and cakes were served and thanks to the weather people were able to enjoy the Village Hall garden. I would like to thank everyone who helped us to make this event a great success which raised £350 for the Village Hall Funds. Mary Giles
I received a letter yesterday from Jack and Mary Gamble in Mudgeeraba, Queensland, Australia. It was posted there on 11th August and arrived through my letter-box on 13th August. The previous week we received an Easter Card posted in Southampton in March. The spooky thing about the latter letter was that, coincidentally, we were on the phone to the sender when the card arrived. Jack and Mary were married in Caythorpe by The Reverend Dick Kennedy and lived in the house they built next door to Dr Fraser-Darling in Old Lincoln Road. Acting on behalf of the Diocese, I bought the house as a Rectory before I retired as Rector. They write fondly of their memories of Caythorpe and hope to return for a visit next year.

The village will welcome many other old friends at the beginning of September when veterans of No.216 Parachute Signals Squadron return for their annual reunion and Church Parade. They are remarkable for resisting the onset of old age. I remember an incident when I was Rector: Joy and I were leaving Caythorpe Court after the Reunion Dinner and many of the veterans were looking for further refreshment in the village pubs. As Joy opened the door of her car she was surrounded by a group of veterans who asked her if she was going to Caythorpe. She had hardly said ‘Yes’, when, with a cry of “A lift lads”, they piled into the car leaving me standing speechless. When she returned for me I made sure I was at the front of the queue! As time goes by fewer of them can make the journey, but they are always well supported by serving members of the squadron, and they are all very welcome.

A week ago I was saddened by the death of another old friend of the village. I first met Ian “Able” Money when I saw him on his knees in the churchyard one sunny morning in the late 90s; he was levelling the flag stones on the path, and I said, “Bless you my son”, in a light-hearted way. He laughed and we became friends instantly. He was the archetypal ‘Cheeky Chappie’, but was worth his weight in gold when there were odd jobs to be done around the village. He lived with his gentle wife, Amy, in Arnhem Drive until he was obliged to move to a bungalow in Fulbeck. He has struggled with cancer for years, and the death of Amy, and more recently his son Ian David, rocked him. I called on him on his birthday a few weeks prior to his death; he was sitting on his bed preparing to dress for his birthday lunch with his family. I shall miss his cheeky repartee, for no matter how ill he felt, he was always chirpy, and that is how I shall remember him.

Brian Lucas.(The Last Rector)
Many of you who are new to the village may be unaware of the involvement of Caythorpe, Frieston and the surrounding villages in 1944 with ‘OPERATION MARKET GARDEN’ and the 1944 Battle of Arnhem.

The Battle of Arnhem was a famous Second World War battle fought in and around the Dutch towns of Arnhem, Oosterbeek, Wolfheze, Driel and the surrounding countryside from 17–26 September 1944.

The 1st Parachute Airborne Division moved to Caythorpe and the surrounding areas in December 1943. The Division consisted of not only the Parachute Regiment but also Signallers, Engineers, Medics, REME, etc. They all had parachute training and wore the distinctive Red Beret of the Paras, but kept their own cap badge.

Holy Cross House Caythorpe (now known as Holy Cross Gardens estate) housed the Signals HQ and B,C,D,O and Q sections. The house and the surrounding building (including what is now the village hall) served as Junior Officers, Sergeants and other ranks messes, ablutions and stores, NAAFI and cobbler shop. The cobbler was Pte. J. P. Bull of the Ordinance Corps. His nickname was “JUG PIP”.

Caythorpe Court (NOW PGL) housed A and Z sections. About 80 personnel were based there. A mock-up glider was used for training and there is still a carving and a plaque in the stables made by the troops commemorating their stay.

Caythorpe Hall housed M maintenance section with about 40 men. The main hall was used as officers and sergeants billets, while the outbuildings were used for maintenance and repair, vehicle fitters, joiners shop, instrument and radio repair and battery recharging. There was a pigeon loft with about 50 birds in the charge of a signals corporal. Signallers were billeted over the stables and had to go to Holy Cross House to eat.

Fulbeck Hall was used by Divisional Signals HQ staff (General Urquart) Much of the Arnhem planning was carried out here.

Soldiers were also billeted in houses and cottages in the village. The cipher sergeants lived in the High Street. The cottages next to the village hall were used for storage. Other officers were billeted in houses around the village.

One officer of note, billeted in Caythorpe, was a Major Dean-Drummond. He was housed at Mouse Hall (now Caythorpe Nursing Home). He arrived in Caythorpe after a campaign in Italy with the 1st Parachute Brigade. He was captured but escaped and made his way across Switzerland, through France and back to England to take part in the Arnhem campaign. He was dropped into Arnhem and avoided capture by hiding in a cupboard in a German Guard room. He remained hidden there for 13 days and then managed to escape yet again. He recovered from this truly astonishing feat of endurance in a house of a courageous Dutch family, and crossed back into British lines.

As a story of ingenuity, courage and determination this is difficult to equal. Major Drummond became Major General Dean Drummond, and attended every year of the Arnhem weekend in Caythorpe. He passed away in 2013, a memorial service was held (cont’d on page 24)
in his honour at Sandhurst Officers Training Head Quarters during 2014.

Extensive glider training was based at Fulbeck Airfield and you can see the map of the airfield in the village hall. On the day of the action into Arnhem over 20,000 men were dropped by parachute, nearly 14,000 by glider with 5,000 tons of equipment, 1,900 Vehicles and 568 guns.

Of the 1,500 hundred men leaving Caythorpe for Arnhem on active duty, a good proportion of these were taken captive; only 400 made it back to England.

I have tried not to include too much military detail, as I did not wish to bombard the readers with facts that may not be of interest. If you feel you would want to delve further into this part of Caythorpe history, the Arnhem Room in Caythorpe Village Hall contains an excellent reference section giving all the statistics of the campaign together with various items of memorabilia.

Among the objects on display you will find the actual typewriter used by the General Head Quarters at Fulbeck Hall. Above the Village Hall stairs you will see the (reputed to be authentic) Flag of Head Quarters Operations at Arnhem. This flag was rescued by one of the retreating soldiers, and kept by him for a number of years. This now old Comrade, thought it fitting to present the flag to Caythorpe for safe keeping.

Another item on display is a rather a charming faded letter, which reads: Please accept the enclosed £5 to support the Arnhem Weekend, with fond memories of a glider pilot. Anon.

Each year since the Battle of Arnhem the now 216 Parchute Signals Squadron come to Caythorpe for a week end during early September (this year the celebration is on 5th and 6th September) to attend festivities organised in the village. On the Sunday they have a service to Honour the fallen from all the conflicts of both World Wars.

Old Comrades attend from all over the Great Britain and from Australia, New Zealand and America. They march proudly to the church together with their younger fellows in arms. This service is very well attended, and is really moving, it is a fitting tribute to all those that have fallen, to allow us to live our lives as we do today.

Bright, Enjoyable Fete at Carlton Scroop

The day was bright and became quite sunny. The preparations were finished. We waited in anticipation. Would anybody come? They did and they spent over £1,700 at the first fete Carlton Scroop had seen for some years.

This was a joint venture by the Social Club and the Village Hall and we all enjoyed the event with gusto. We were entertained by the Beth Cresswell School of Dance and, in the evening, by the Arcadians. We shot penalty kicks past a budding goalkeeper, we ‘wanged’ a great many wellies, we played skittles and tried our luck on the Tin Can Alley. We guessed the name of the rabbit and counted the number of sweets in a jar.

The children had enormous fun on a huge bouncy castle and we tried our luck at a massive tombola. We ate from a delicious BBQ and refreshed ourselves with tea and home-made cakes and from the all-day bar. The raffle was exciting with superb prizes kindly donated by local businesses including Balfe Construction, RSI Paint and Body Repairs, Mark Watson – Farrier, Haydays Racing, Fiona and Simon Hutton, Rainsthorpe Transport and by Tim Ransome – Farmers.

This was a great day for our small village. So great, in fact, that the event is already booked for Saturday 16th July next year. So watch this space, put the date in your diary and join in the fun!

Parish Council News .......... September 2015

Our priority this year ....Whilst the Parish Council has a responsibility for over seeing a number of areas we have agreed that we will make the issue of housing our main objective for this council year. We identified this as a key area in the Parish Plan that was revised in 2010 when we agreed that any future developments must be proportionate to the current size of the Parish, reflect the need for affordable housing and will not impose pressure on the existing local infrastructure. Whilst a measured amount of new build has taken place, none of this in any way could be described as being affordable. We appreciate that our ability to exert influence on the types of properties that are built is somewhat limited but we will nonetheless look to work closely with SKDC and providers to see if we can meet more closely a good cross section of local need.

Birthday celebrations ..In 2016 we hope that the country will be celebrating the 90th birthday of Her Majesty the Queen. In anticipation of this your Parish Council will be considering how best we can look to mark this unique event. The many events that were organised to celebrate her Diamond Jubilee were a great success and, whilst perhaps not wishing to emulate all that we did last time, we should look to mark this occasion accordingly. If you have any thoughts or ideas that we can consider please do not hesitate to contact any member of your Parish Council.

Grants for community projects.....We will be considering at our November meeting any applications that have been received for grants from local organisations where it can be demonstrated that a project will be of benefit to the community at large. If you wish to apply please contact the Parish Clerk for further details.

Forthcoming meeting .....The next meeting of your Parish Council will be held in the Village Hall on Wednesday September 9th at 7.15pm when residents are able to comment on and draw matters to the attention of the meeting. The main meeting will commence no later than 7.30pm.

Bruce Nelson……Chairman

To prevent grass from growing between the cracks in your paving stones or path, you should sprinkle salt into them or pour on very salted boiling water.

One of the less offensive ways of killing slugs is to place bran around your plants which attracts and kills them. (It will also attract snails which assemble around the bran making it easy to collect them).

Parish Plan Review

Several people have asked me to outline in a little more detail what is involved in the Parish Plan Review 2015.

It comprises consultations, using different methods, with parish residents which lead to a household and online survey designed to establish views and preferences about issues affecting community quality of life.

The initial consultations involve:
1. Community projects involving schoolchildren (already completed).
2. A stall and exhibition at the Caythorpe Gala (5th September) where posters produced by the children about their hopes and expectations for the community will be on display. White boards will be available where you can register your views about community needs and resources.
3. A presence at the monthly village breakfast table-top sales where residents can also register their views.
4. One-to-one interviews with local businesses.

Issues identified in the community consultations will be incorporated into a household questionnaire.

Later in the year, all households will receive a survey questionnaire and there will also be an online version downloadable from the parish website. The results of the consultations and questionnaires will be made available to everyone at a public meeting.

Following this a report will be published and a new draft of the five-year parish plan will be produced. It is expected that the review will be completed by early Summer 2016.

Members of the Parish Plan Review Group, representing educational, church, business, village hall, playing field and wider interests include Gordon Grant (Chairman), Rob Cook, David Cree, Tom Mountain, Jean Nelson and Jo Russell. A parish council member (ex officio) and Andrea Smith (clerk to Parish Council) are also included.

Please feel free to contact Gordon if you would like to discuss any issues affecting quality of life in the community or if you would also like to be interviewed (email: edgemount@btinternet.com, tel: 01400 273194)

Caythorpe First Eleven Cricketers are Top of the League

Caythorpe First Eleven Cricketers are not only top of the Second Division of the Lincoln Sunday Cricket League but are now our favourites for promotion, with just three games left to be played.

After the last game reported, when Luke Endley took 8 wickets for 9 runs, we thought we had seen the highlight of the season. Certainly not so! The following week Caythorpe played Reepham. Batting first, Caythorpe scored 241 runs for 8 wickets, with Adrian Graves top scoring with 63 runs (not out), and Peter Appleyard making 54.

Then came the drama. Luke Endley was unplayable, taking 8 wickets - all clean bowled - for just 4 runs in 4 overs. Reepham were all out for just 27 runs. Luke now holds the all-time second best bowling figures in the League.

Could this performance possibly be bettered? The next game was against North Scarle. Caythorpe batted first, and going into bat first wicket down Luke showed he was not just an extraordinary bowler. He scored 221 runs, including 25 fours and 13 sixes, leading Caythorpe to the massive score of 379 for 8 in 40 overs. Opening the bowling, Luke quickly took 2 wickets for 5 runs. He then took a well-earned rest but before being called on to bowl his remaining overs. Scarle were dismissed, with Adrian Graves collecting three wickets and Alex Wharmby two. Caythorpe won this match by the huge margin of 265 runs.

The Junior Season is now over, and our youngsters performed very well. The Under 9 boys and girls finished Runners-up in the Lincoln youth League, winning 9 of their 12 games. The Under 10's finished a creditable fourth, winning 3 and losing two matches, three others were cancelled due to weather. The Under 11s had a more difficult season, finishing in 5th place, winning 3 games against 6 defeats. However they were steadily improving as the season progressed and should be a capable squad next year.

Caythorpe Under 13s won 8 of the 12 games played, and finished 3rd in their League. Many of this team were only 12, so should really be a force to be reckoned with next summer. Finally our U15s had another good season finishing runners-up in the League, winning 7 and losing just one of the games played. Unfortunately 3 games were cancelled due to the rain which robbed them of the possibility of being Champions.

These performances are excellent for village teams, competing with the town and city clubs, and fully justify our recognition by the English Cricket Board as a Focus Club. Thanks to all our Players, Coaches, Managers and, above all, parents for taking the younger players to matches around the County in the evenings.

Marylyn Mason Memorial Clock

This has now been installed on the front elevation of the Village Hall - this was funded by the generous collection made at the church after the funeral service. Many thanks to Kev & Dave of Willwoods Building & Garden Solutions and Alan Snapes for installing the clock.

Dawn of a new era for Carlton Scroop and Normanton-on-Cliffe

Since our last submission an election has taken place to appoint a Parish Council. In addition, the Council has a new Parish Clerk, Adrian Illingworth, who has taken over from Garry Knighton.

The Council would like to pass on their appreciation for all the work Garry has done during his office as Parish Clerk.

Adrian is a relatively new immigrant to the County, coming from Yorkshire in November 2007. His background is Financial Services, spending 34 years with the Halifax before taking early retirement. He is married to Denise and has two daughters and four granddaughters.

Minutes of all Council Meetings can be found by going to the website http://parishes.lincolnshire.gov.uk/CarltonScroopandNormantononCliffe or checking out the notice boards.

Should you wish to raise any concerns you can address these to the Parish Clerk at csncpcclerk@aol.com.

The next meeting of the Parish Council is Monday 7th September at 7.30. All parishioners are welcome to attend.

Caythorpe and Frieston Allotment News

A sell out audience attended last month’s fundraiser, BBQ and Cabaret evening at Caythorpe Village Hall and phew! what a night it was. Bob and Mandy Greybrook and their team began the night with a true touch of summer providing a succulent and delicious BBQ meal, with many of the dishes provided by members and supporters of the Allotment Association.

Local entertainer, musician and singing sensation Paul Breslin provided the superb entertainment and what a star he was! With numbers ranging from the 1940's to the 1980’s there was not a moment when the dance floor was not full. A raffle, with many prizes and contributions donated, helped to contribute towards a surplus of £580 which will go to the Allotment Association's goal of providing a Shed / Meeting Place on the Communal Area of the newly created Allotments.

Following the success of this event, Howard Fuller, the Association Chairman, confirmed that the Village Hall will also be the venue for their next event: a Wine Tasting Evening, with a Pie and Pea Supper which will be held on Tuesday 20th October. Wines showcased will be provided by Corney and Barrow, Wine Merchants of London, a company which has two Royal Warrants. These will be presented by Mr James Long, Howard says "I have worked with James on many occasions in the past, he will treat everyone attending to a truly educational and inspiring evening. He has a razor sharp wit and is a great raconteur". Wines provided will be from an affordable price range and those ordered on the night will be delivered before Christmas.

The Association will also be having a stall at the Caythorpe Gala at which produce from the allotments will be available for sale to villagers for the very first time.

Charity Coffee Morning
At Cobblers Rise on Friday, 11th September from 10.30am to 12.00noon in aid of the Marie Curie
Do come!

The last Coffee Morning raised £73 for the Air Ambulance. It is not all about raising large amounts of money. It’s a chance for people to get together, have a chat and for new people to the village to get to know others and to find out what goes on in our lovely village.

I forgot to mention in last month’s News and Views, the amount raised from the Open Gardens, it was over £900! A really great effort on everyone’s part.

Caythorpe and District Garden Society

The scheduled speaker for our August meeting was unavailable, so we were very grateful to Vicky Fox, who kindly agreed to bring forward her talk on Heucheras which was planned for later in the year. Vicky and her husband Richard have run Plantagogo nursery in Crewe for around 25 years. They started off supplying a variety of perennials, shrubs, summer bedding and vegetable plants to garden centres but, when they felt the urge to exhibit their wares at horticultural shows, they decided to specialise in heucheras, tiarellas and their hybrids, heucherellas, and now hold national collections of all three – over 450 varieties. Show exhibits have won them 7 RHS gold medals and numerous other awards.

These very hardy evergreen perennials hail from North America, and although the species are mostly green, selective cross-breeding has resulted in a wide range of foliage colours, ranging from black, through browns, purples and reds to yellow and pale lime green. Many have contrasting markings around the veins and some have a lovely metallic sheen. The pictures of the nursery looked like a sweet shop for the plantaholic! All varieties bear small flowers on tall stalks well above the leaves. Some are insignificant, but others are bright red, pink or cream and are a feature in themselves. All thrive in partial shade, and the darker leaved varieties are also happy in sun. The samples brought from the nursery were quickly snapped up – no garden should be without some of these excellent plants.

Our September 8th meeting will feature John Stirland from BBC Radio Notts, speaking on ‘The Garden in Winter’. Visitors (£3) most welcome at Carlton Scroop Village Hall at 7:30. Please contact David Fidler on 01400 272630 for membership information.

CARLTON-LE-MOORLAND AND DISTRICT ART GROUP

The autumn programme commences on 13th September with an acrylic workshop lead by Mo Teeuw. There are a few places still available but these need to be pre booked.
