Welcome to Carlton Le Moorland

The Parish Council would like to welcome you to the village.

The aim of this welcome leaflet is to provide the basic information you need to settle in: for more details please refer to the website

www.carltonle Moorland.org.uk

where you can find out about our history, village life, local news, events and organisations. There is also information about the Village Hall, and you can keep up to date with local matters in *Parish Council News*.

The *Witham Staple* and *Witham Herald* are community magazines which are delivered to every household monthly: both provide useful information about local events, news, groups and businesses.

Carlton le Moorland is a small village of about 240 households, but there are many community and social groups which you may be interested in, both in Carlton itself and neighbouring parishes.

We hope that you will enjoy living here, and would encourage you to take part in community activities, and to get involved in any way you can to ensure that this attractive village remains a good place in which to live.
