Parish Clerk H Pitman
Members of the public 2

1. **Apologies for absence:** None.
2. **Declarations of Interest:** None.
3. **To discuss application number 133334 for a detached dwelling at White Gates, Pelham Road.:** Council accepts that on this occasion there is a case for planning gain on this site due to its neglected state and the fact that there has been occupation of temporary accommodation for some thirty years. However, council would wish to preserve the green space along Pelham Road outside of the village boundary would not set a precedent. Council has major concerns about the state of Pelham Road which has been brought to the attention of LCC Highways on numerous occasions. Part of the road and increased traffic, particularly HGVs with building materials will only exacerbate the problem. Repairs need to be carried out as a matter of urgency.
The meeting closed at 7.50pm
