Dear Miss Ruth Keillar

### **CARRIAGEWAY PATCHING AND SURFACING WORKS POTTERHANWORTH AND NOCTON**

I am writing to advise you that we are planning to carry out extensive carriageway repairs in and around Potterhanworth and Nocton during the month of October 2018.

The works will be split into several sections, which will be closed to traffic in turn, to allow the works to be safely executed.

Please be aware that during the road closure periods, access to properties will be restricted and, at times, may be prevented during the working day.

Detailed arrangements will be confirmed nearer the time but it is envisaged that access, in general, will be available outside of normal working hours.

It is anticipated that the roads will be closed on the dates shown on the plan overleaf. However, it should be noted that these are provisional dates at this stage, and are subject to delays and acceleration as the Patching and Surfacing programme proceeds.

Public Transport routes will be affected and it is advised that you check with the bus operators over revised travel arrangements during the road closure periods.

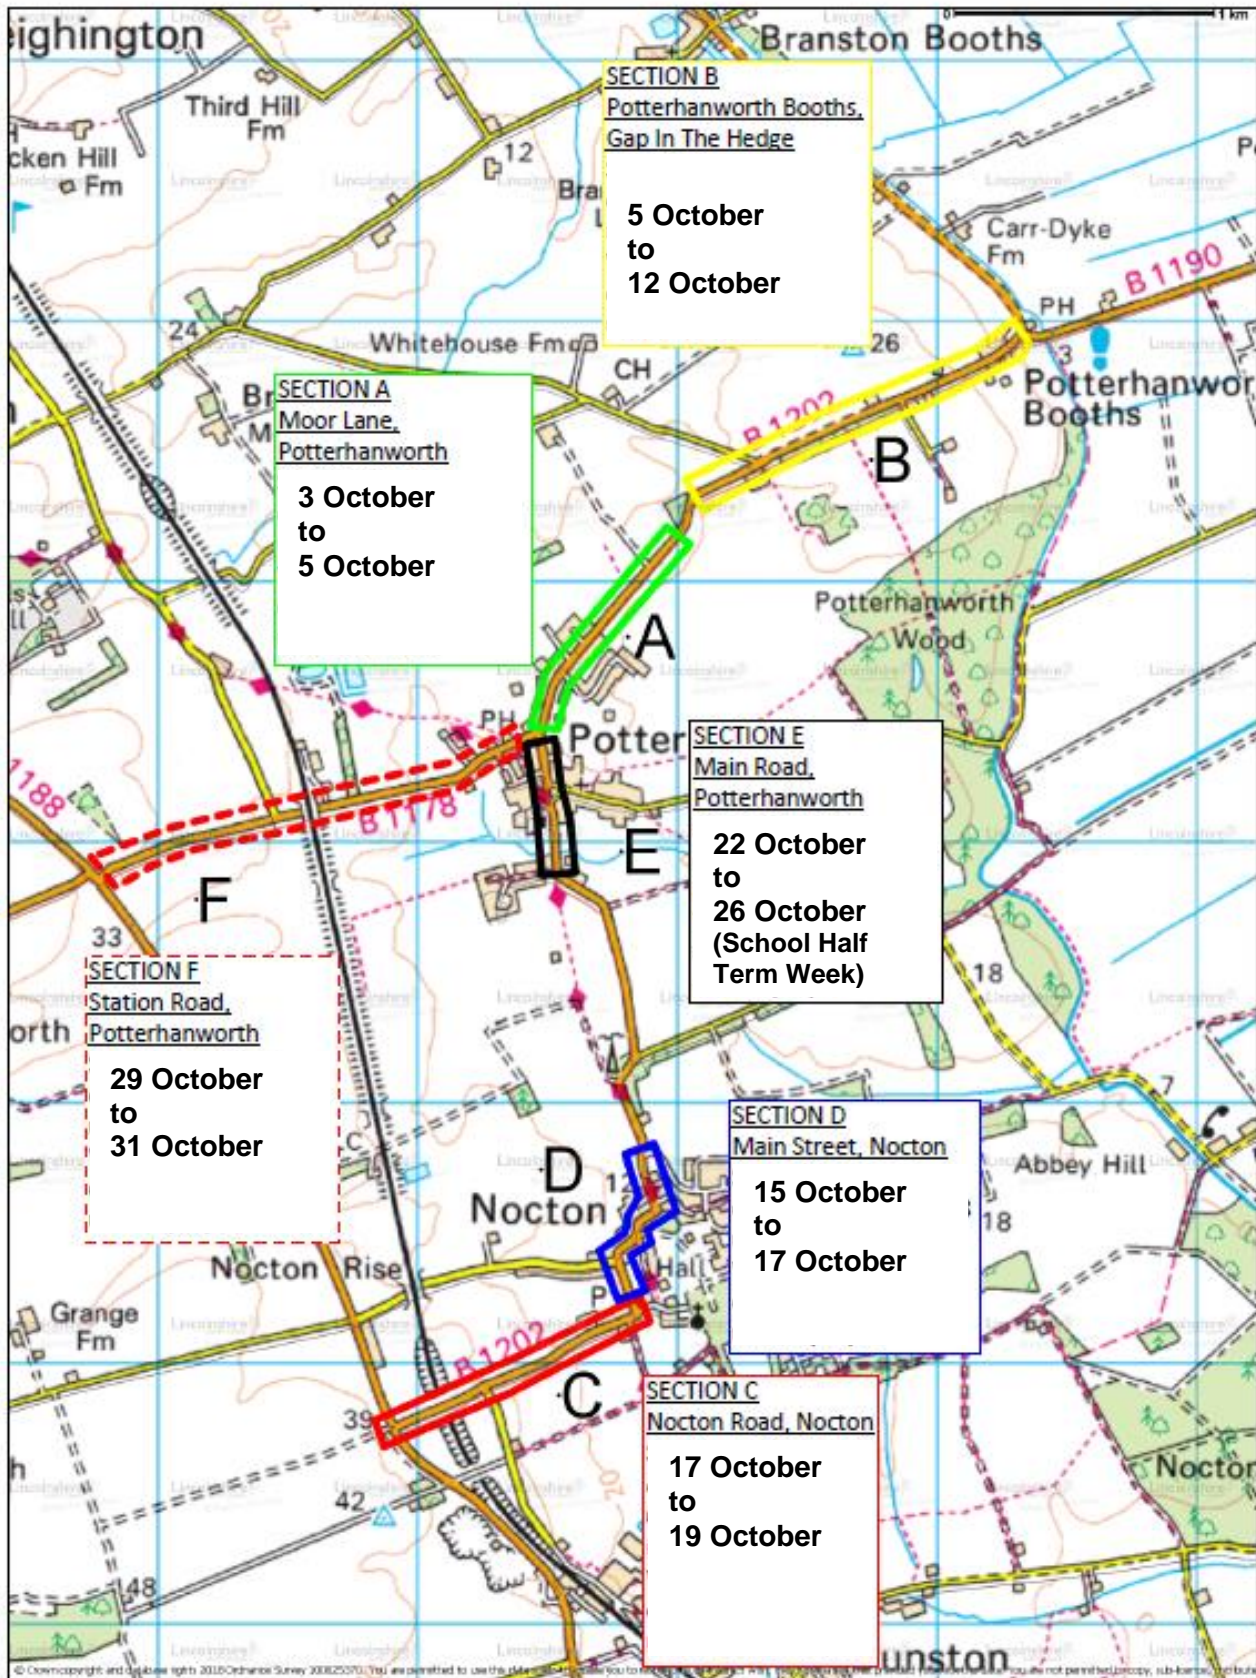

Further details and any necessary minor alterations will be publicised in due course.

If you have any queries regarding any of the above matters then please contact our Customer Service Centre at the above number.

Yours sincerely

*Programme Leader*
