

Morton to Cawthorpe

10.5km

Park in Morton near the shop at (1) and walk west. Take the right hand fork at (2) before leaving the road on a footpath, crossing the fields to (3). Turn left and walk to the road at (4). At this point, follow the road back towards Hanthorpe before taking the track on the right at (5) to Bourne Woods. Enter the woods at (6) heading southwest before turning left at (7) to follow the edge of the woods in an easterly direction. Leave the woods and cross the fields to the village of Cawthorpe, passing Cawthorpe Hall on the left. After the Hall, turn left at (8) and cross the fields back to the main Bourne road.

Cross over the road to point (9) and take the B road to Dyke in an easterly direction almost to the end of the village to (10).

Take the track north to (11), to follow a zigzagging path across the fields back to Morton. This is a delightful part of the walk between an avenue of trees and across fields. At (12), turn left to return to the start.
