Apologies

Jenny Barker

1. Approval of notes from the Meeting on Monday 9th October 2017
Notes Approved.

2. Matters arising from Previous Meeting
The Junior and Non Fiction sections are steadily increasing. There is a shortage of large Print Books, these can be ordered for the customer in the library using their library card number and Pin. Alternatively a note can be left in the diary for Margaret to order any books for the customer, or her phone number may be given to the customer for them to contact her directly.
New Books arriving in the Library could be displayed on top of stands – shelves to attract more attention.
There are 5,095 items in stock at Saxilby Library as of 15th January 2018.

3. Review – Update by L.D.O
No problems experienced with Stock Rotation.
The Annual figures for Saxilby Library for 2017/18 show that 6,810 books were issued, there were 1,281 users and 45 new members.

4. Summer Reading Challenge
There was a unanimous vote not to take part in this national project, because of lack of interest in previous years and cost. Anyone interested in taking part can be referred to Lincoln or Gainsborough Libraries.
Empty Shelves – 5 boxes of new books delivered last Friday, 12th January 2018.

5. Open Discussion for Volunteers
Donations of Books – A notice in Library and the Foss Focus could be displayed asking for donations of good quality Books. It can be requested that books donated in Saxilby stay in Saxilby. More name badges were requested.

6. Any other Business
It was agreed not to change the day, time or frequency of meetings, if Margaret could not attend meetings, she will notify us and the meeting will be cancelled. Holocaust Memorial Day Saturday 27th January 2018 could be marked by a display of Books on stands.
There are 2 more interested volunteers.
Contacting Margaret – General Enquiry diary, urgent enquiry ring or e-mail, or contact via Elaine.
Jane needs to know in advance – re Rota.

Date of next Meeting Monday April 30th 2018
